WELCOME TO MY MARVELLOUS CITY Asenovgrad, Bulgaria

As enough a situated 20 km to the southeast of Plovdiv, where the Asenitsa River bids farewell to the Trans-Rodopi, Western Thrace pass and is welcomed by the golden Thracian Lowland.

A blessed town, abundant in the aroma of lilacs and woven trellis vines. It has huddled in the shadow of the ancient might of Asen's Fortress. A town proud of the traditions and customs, of the monuments of culture, of the expositions of the museums, exhibiting unique finds, some of which unique in the world. Mysterious, magical, and real. An ancient, present, and future tale. And not for reading, but for co –

Saint Saint Cyril and Methodius Secondary School, Asenovgrad

yril a

St. st. Cyril and Methodius Secondary School is one of the biggest schools in the town of Asenovgrad, Bulgaria. It is a modern school which has its beautiful traditions and bright future. The school has about 1000 students - from 1st to 12th graders. Every single student is important to us and we believe every child deserves the best possible education and personal development.

This school has a rich history. It's development continues more than 100 years. The love for knowledge, the spirit of learning and wisdom make our school a centre of excellent learning and teaching practices. A good team of devoted professionals work in it.

We aim at achieving the best possible results in an atmosphere of tolerance, respect, love for children, good will and faith. Our mission is to provide our students with a great number of wonderful opportunities for learning and achieving amazing things.
