
8 Teachers' evaluation of the project: **Break the fake: media literacy and disinformation**

Diana Rossato • 04/06/2021

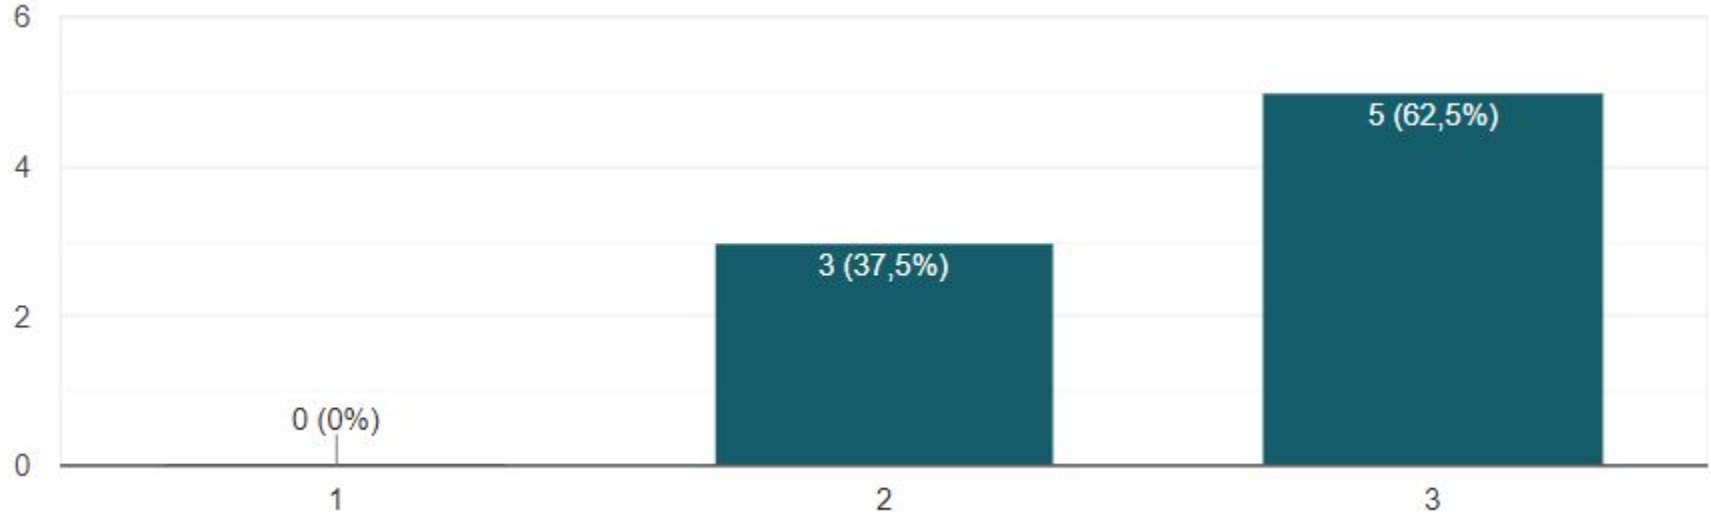

Is the project completed?

Is the project completed?

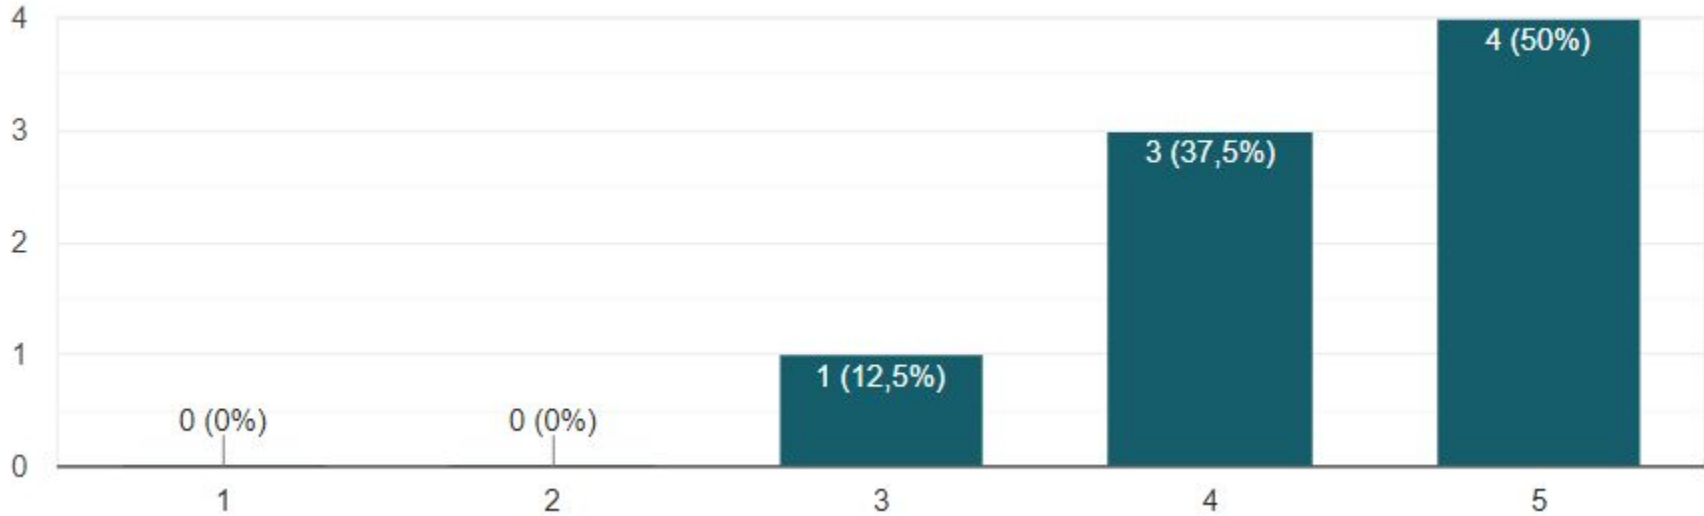

8 risposte

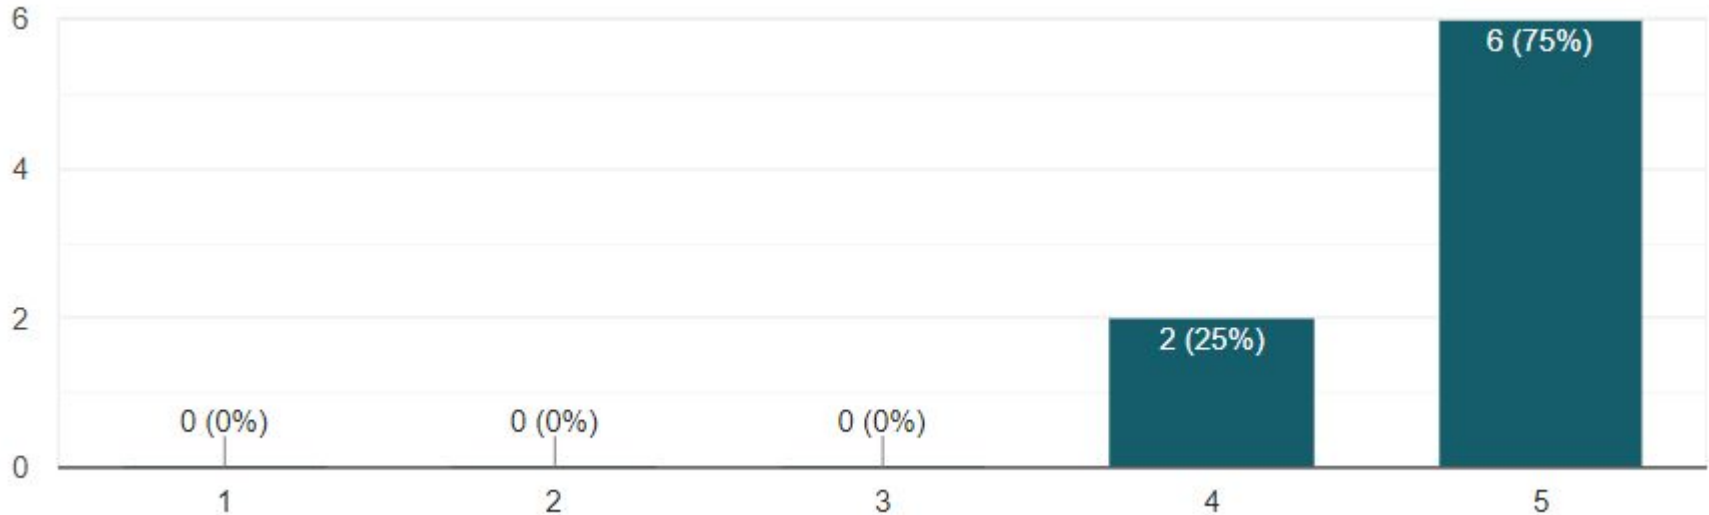

Were your contributions to the project meaningful?

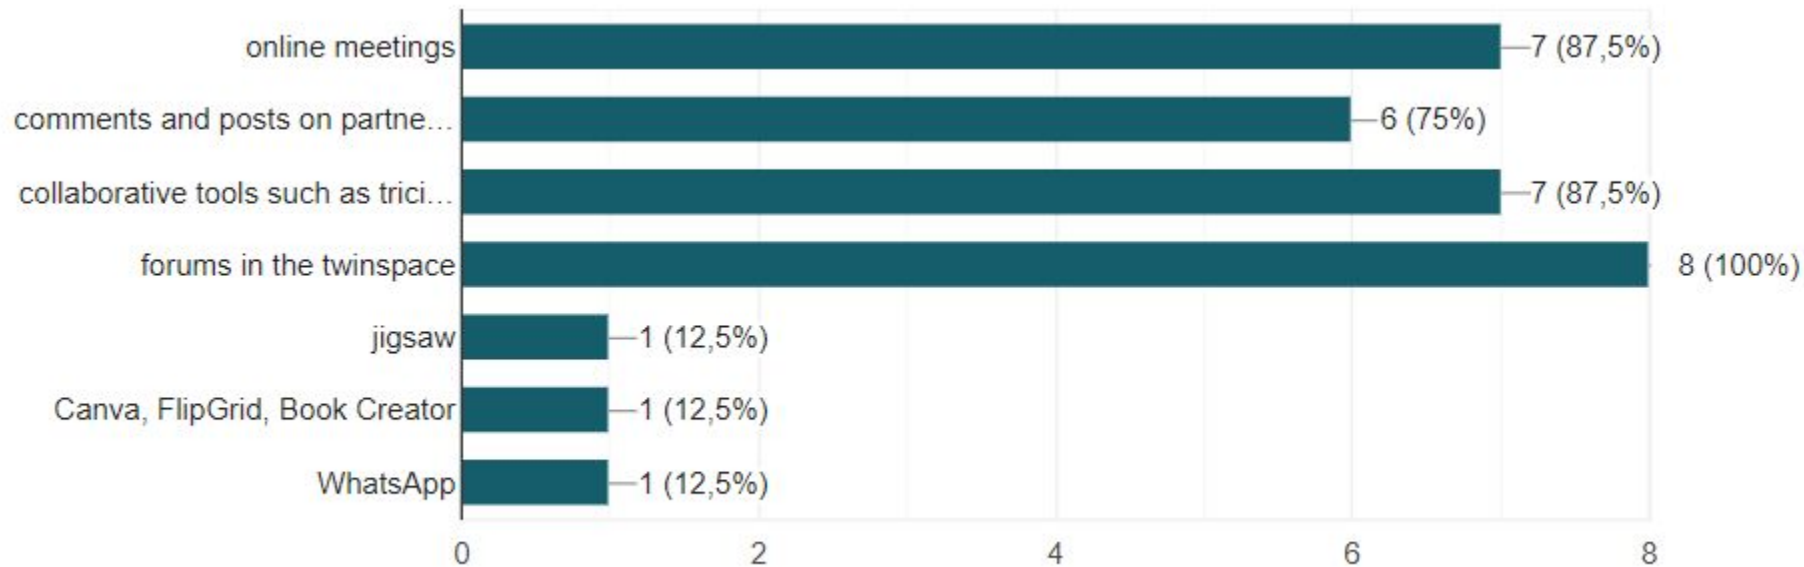

Were students active in the project?

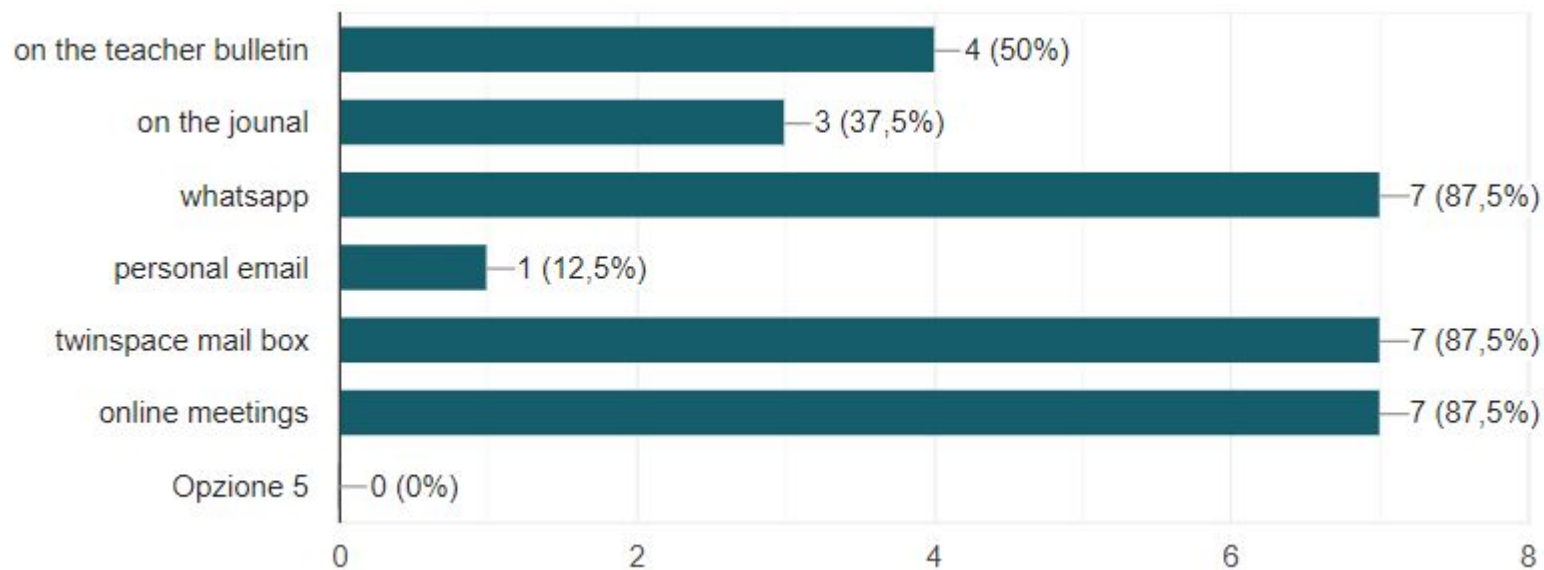

Has the project a clear aim which has been shared/planned among partners first and then among pupils?

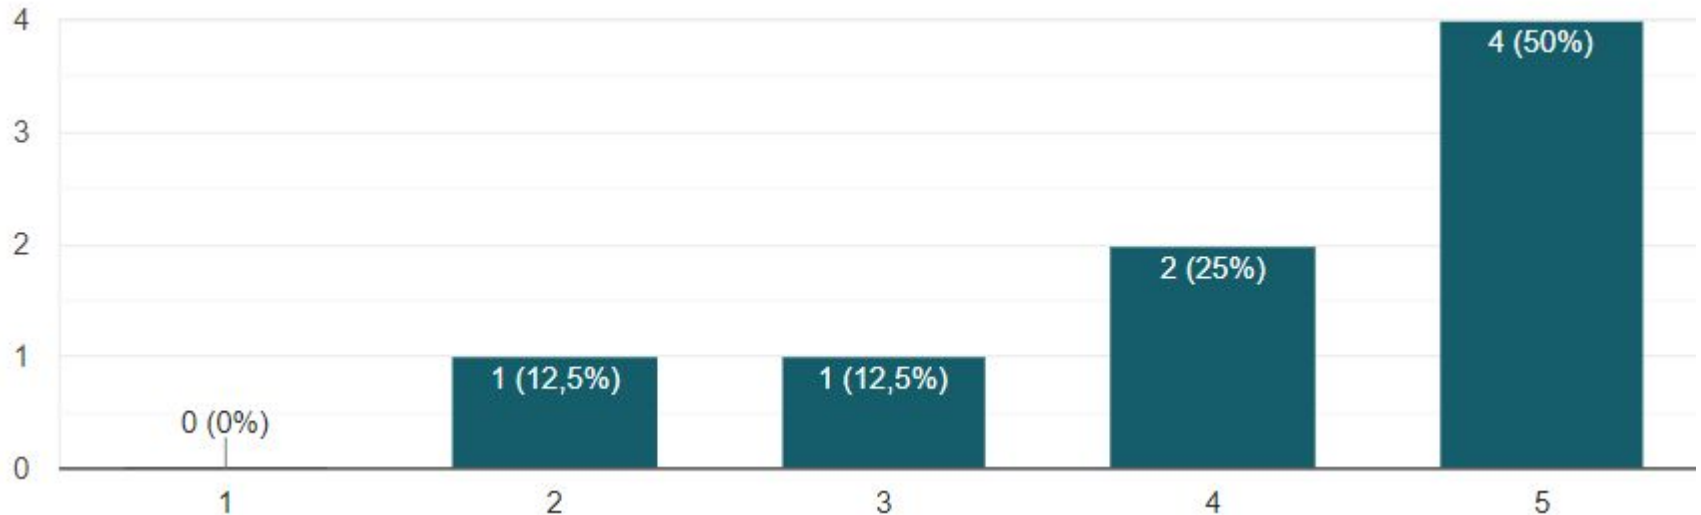

Did partners collaborate through:

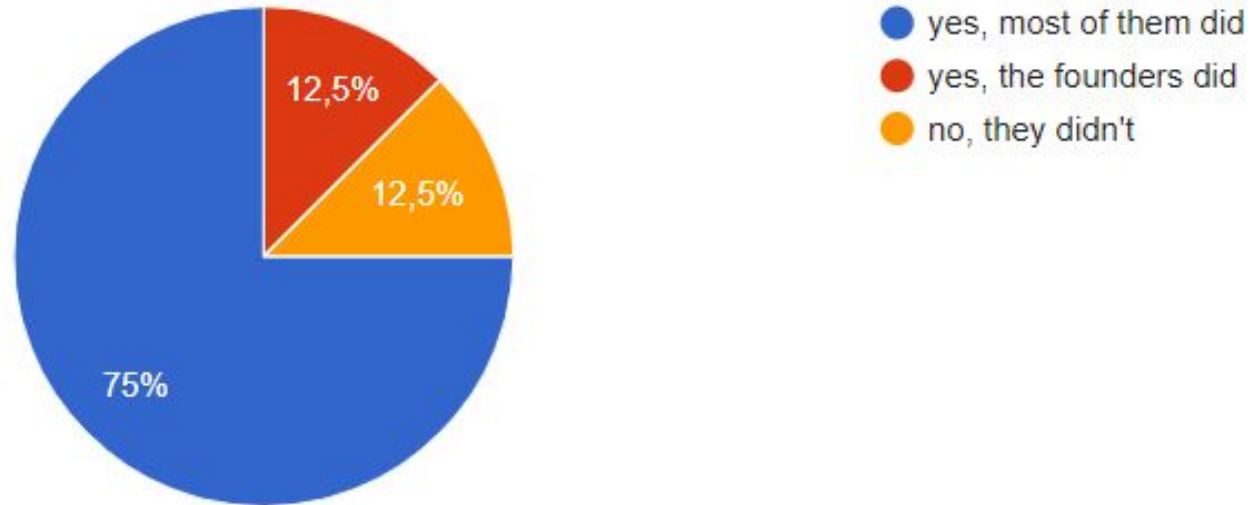

Did partners communicate:

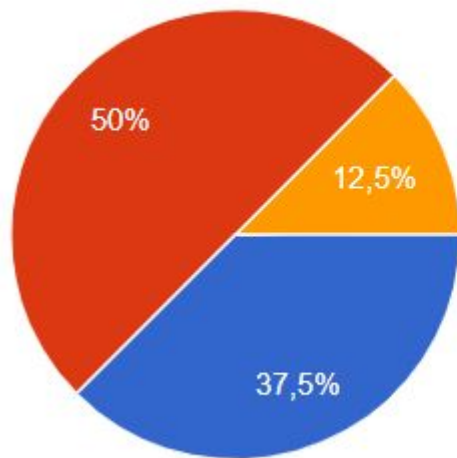

Did you provide documentary evidence of the activities and outcomes of the project in the twinspace?

Did partners suggest other activities in progress

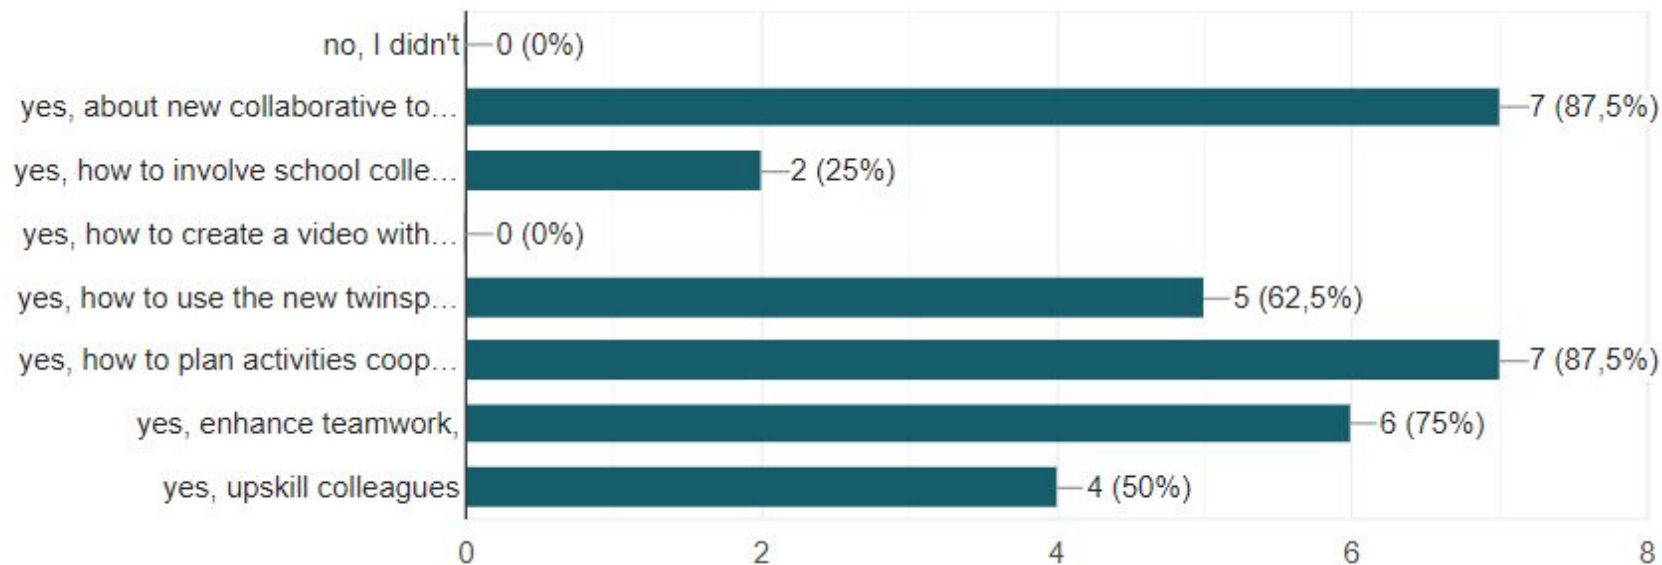

Did any partners already know each other?

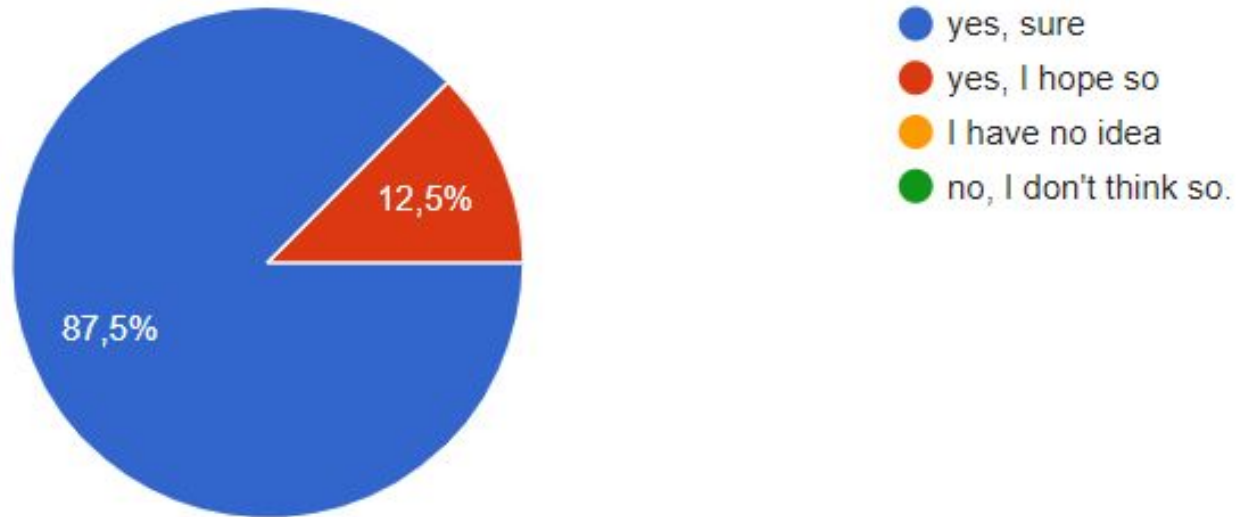

- yes, they did
 - no, they didn't
 - As far as I know, they didn't (I didn't)
-

Did you learn anything new?

Do you think the project will get the QL?
