POEMS

Surrounded by dreams

I'm here on an unknown land
Surrounded by unfriendly faces
On the run, always scared.

Looking for a warm place
Hopeless, miserable, rejected,
Pushed against the wall
Never understanding
Or understood.
I feel like an alien
In a strange cold world
No home, no friends, no future
Alone in the universe.

Guilty without guilt,
Dreaming of my home...
Where is my family?

They are in my dream,

Holding me tight
Kidnapped by their love.
A lot of memories,
Of a happy childhood
Make me smile and keep me warm.
But, this is a just a dream
The cold wind of reality,
Blowing me off my feet.

Stop the war...

Please stop the war!
We must look for
The silence and peace;
Now, my world is broken into pieces...

I'm just a child
And I'm mild.
I'm scared of those things;
I don't know what these kings think.

Why do they disagree?
They don't know what happened to me?
Or they don't care...
Everything is blown to the air.

I just want water wings,
I want to know what the next day brings.

Far away...

Far from the comfort
Of my finest places,
Far from the swarm
Of my thoughts and restless,
Bound to the unknown
Disillusioned, breathless.

It doesn't matter

It doesn't matter where you are
It doesn't matter what you do
If there's someone you can count on
Bet your soulmate you have found
If there's someone you may love
You can live right in a cove
If they're everything you have
You will never be apart.

POEMS

Sea...sick

The sea is so blue
The waves are so strong against boat
And I....miss my home!

Old House

Old house
A child runs
The sound of sirens...

Lots of new students
In the courtyard of my dreams
Nothing is to miss.
