

## ***Alessia Spadoni***

### ***What social network I have?***

I have Instagram and Snapchat.

### ***What kind of information I share?***

Usually I share photos or videos.

### ***How often I publish a post?***

On Instagram, average, I publish a post a week (or less). On Snapchat, instead, I seldom publish photos or videos.

### ***How many friends / followers I have?***

On Instagram I have a private account, only the people of who I accept the friend request can access to my account and watch my post. Also on Snapchat my post and my profile are accessible only to the people that I decide to follow too and so, I give the access only to friends of mine.

### ***What is being said on me? Which details are public about me?***

I haven't found any information about me on internet.
