

DIGITAL IDENTITY

1. What kind of social network do you have?

I have INSTAGRAM, FACEBOOK, SNAPCHAT, FLICKR.

2. In what kind of social network are you mentioned?

I am mentioned on INSTAGRAM by my friends, on FACEBOOK by my school, by my friends, by my volleyball's society and on SNAPCHAT by my friends.

3. What I share and with whom?

I share, on social network, photos, videos and comment that I think are beautiful, interesting, profits, funny etc.

I share these with only my friends, my family and people that I know.

4. What kind of post I public and how often?

On INSTAGRAM I share my photos or photos with my friends or videos. I share this only with those who I want because I have private profile, for example I share these with my friends and with my family. I public my photos more or less one twice a month.

On FACEBOOK I don't share my private photos but I share beautiful, funny, interesting videos or photos that are published by my friends or by famous pages. Some of my personal information is public to all.

On SNAPCHAT I share, with videos and photos, the most important moment of my day, for example a moment with my friends, a concert of my favorite singer, a new place that I visited and many other things. I share photos or videos more or less one twice a month.

On FLICKR I share photos that I shot with my camera, for example a beautiful view, a beautiful place that I visited and also my photos when I was little. Here my photos are public to people that I know. I share my photos more or less once a season.

5. What is said about me?

I search on internet my name, 'Lisa Giani', and it appears my profile of facebook, a lot of my photos of volleyball and my Instagram profile.
