

AUCE SECONDARY SCHOOL

Latvia is a country in the Baltic region of Northern Europe, one of the three Baltic states. The capital city is Riga. We live in Auce in the South of Latvia.

In Auce Secondary school there are 508 students and 48 teachers. Our school has two outdoor sports stadiums and two indoor sports halls. This school is in the 6th place in Latvian school ranking of small schools.

We, two classes- 7A and 7B, are very happy to have a chance to take part in this project. Together in both classes we are 42 students. We are usually friendly, but sometimes we like to compete. And we understand each other. We also have the best teachers in our school. In our school there are fun projects what you can do! The students take part in different competitions successfully.
