IES Astaroth

Urta a la Roteña

Its gastronomy is also very well known, especially for a typical dish called “*Urta a la Roteña*”, local fish cooked with tomatoes, red pepper, onions, potatoes...

Our school was a Primary and a Post compulsory School in the past. Now it is a Secondary School with 233 students and 27 teachers.

The most important program in our school is one to improve the competence in the English language in our students. We also have a room for children with incapacities.

"Big Challenge", an English contest for schools

From 2012 to 2014 our school participated in a Comenius project called "***Let's Fight Against Violence***". The Netherlands also took part in the project.
