

Heritage Challenge

Liberty leading the people by Eugène Delacroix is the perfect representation of the French Republic. In the middle Marianne stands out and she is holding the tricolour. Marianne is in fact the allegory of the Republic. The scene takes place during the revolution of July in 1830. On the ground we can see corpses and some revolutionaries walking on them.

With your teammates you've got 3 minutes to recreate this famous painting as faithfully as possible by posing.
