

KYSUCKÉ NOVÉ MESTO

I live ⁱⁿ Kysucké Nové Mesto. It isn't a very big town. There are about 15 000 people. There are three supermarkets and about twentyfive shops. There are three post offices and four banks. There are three primary schools and three high schools. There is a park opposite the Culture House. There isn't a cinema in our town. We go to the cinema in Lelina. There isn't a theatre in our town, but there is a theatre in Lelina. Kysucké Nové Mesto has got a train station. Trains go from here to Lelina and Čadca.
