Lillina is a big town.

There are about 90 000 people.

I don't live in Lillina, but I live in Kysucké Nové Město.

There are about 7 supermarkets and about 45 shops.

Lillina is a beautiful town.

There is a cinema and Mc Donald's in Mirage.

There are many primary schools and many high schools.

There is a regional hospital near Mirage.

In the middle, there is a big television and there are many pigeons.

My favourite shopping centre is Aupark.

Lillina has got a train station and bus station.

There is an airport behind the town.

There is a Budatin Castle. It's a beautiful historical monument.

There is a swimming pool, I go swimming there.

There is a church on the left side of Mirage.
