

Archaeological Site of Troy

Troy, with its 4,000 years of history, is one of the most famous archaeological sites in the world. The first excavations at the site were undertaken by the famous archaeologist Heinrich Schliemann in 1870. Moreover, the siege of Troy by Spartan and Achaean warriors from Greece in the 13th or 12th century B.C., immortalized by Homer in the Iliad, has inspired great creative artists all over the world.
