

# CURIOSITIES OF THE HOUSE

60 year old photo of a "matador"

The walls of the corridors are decorated with tapestries

Typical arches in the "patio"

The original tiled floor is preserved

# CURIOSITIES OF THE HOUSE

(1)

- The Doorbell (1)
- The walls (2)
- The ceiling (3)
- Floor (4)

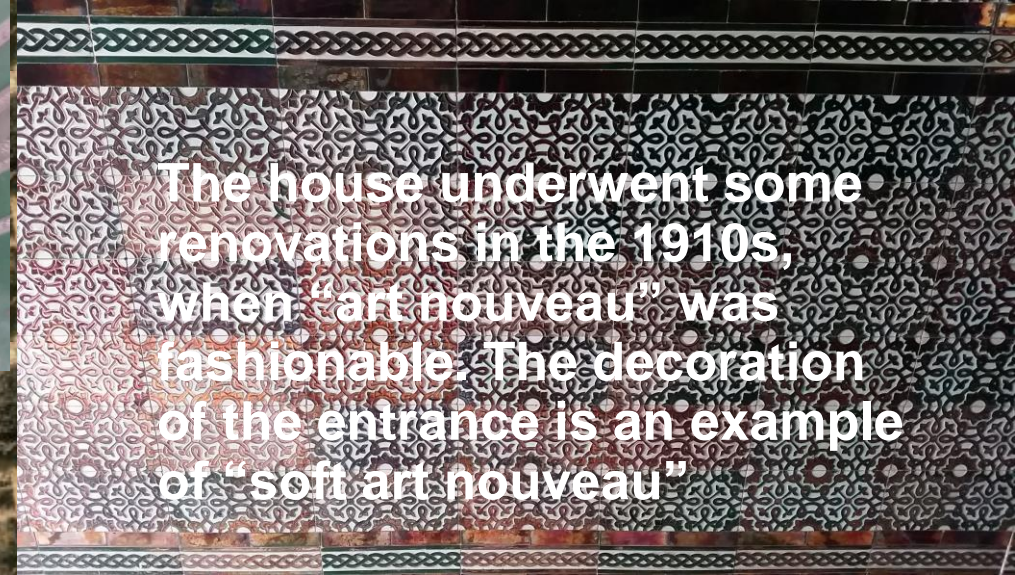

(2)

(3)

(4)

The house underwent some renovations in the 1910s, when "art nouveau" was fashionable. The decoration of the entrance is an example of "soft art nouveau"

# SOME OBJECTS AND DETAILS OF THE TRADITIONAL HOUSE

- (1)
- Well (1)
  - Sink (2)
  - Caladero (3)

Water is an essential element in the house. There used to be a well in the patio

(3)

In this place, lime was poured when walls were painted white

(2)

Women used to wash the clothes here. The sink is made of "molinaza"

# FIXTURES AND FITTINGS OF THE TRADITIONAL HOUSE

- Oil lamp (4)
- Jug (6)
- Utensil to collect the crumbs from the table (5)
