## Documentation

**Activity:**  
P8

**Name of the activity:**  
Games mascot

**Country:** UK

**Pupils age:**  
10

**Place:**  
School

**Date:** November  
2019

**Number of pupils:**  
10

**Subject:**  
Art

**Connection to other  
subjects:** History.

### Preparatory activities:

Children that joined the art club this week are going to design a mascot for the project. Children learn about different mascots from different Olympic games, the symbols and the meaning of them. They start to produce their own ones.

### Activity:

After producing individual mascots, children will decide together what mascot they should make in a bigger scale and what meaning they are going to give it.

Children decide they want to make a mascot using the school symbol, and eagle and decorate the eagle with different textures using the flags of the countries involved in the project.

### Subsequent activities:

Children will share the mascot to the whole school in assemblies.

### Results:

Children will display the mascot in our Erasmus wall so everybody from the school community get familiar with this.

**Comments:**

Children were very enthusiastic about this activity and they showed really good artistic skills.
