Preparatory activities:

The teacher made a plan what is the perspective of the History of the Olympics. The decision was to concentrate on the ideas of Faster, Higher and Stronger and that the most important thing is to take part and not to win. Also the idea of the rings with all the continents and the colors of every nation's flag and how they are combined together was chosen as one perspective.

Activity:

Discussion and learning about the theme. And then the pupils designed their own suggestions for the game flag for our project.

Results:

The idea of the ancient and modern Olympics was introduced and the pupils learned a lot new things.

Comments:

The activity was fun and informative and the choice of the perspectives was the right one.
