

NETIQUETTE

- 1 Don't say things that you cannot say face to face.
- 2 don't trust everybody.
- 3 don't share your personal information with everyone.

Be your best self.

The bottom of the page features a decorative illustration. It includes several stylized trees with thin brown trunks and rounded, flat-topped canopies in shades of brown, orange, and yellow. The trees are set against a background of rolling green hills and a light green path that curves across the bottom. The overall style is simple and modern.
