## Glove for the sport

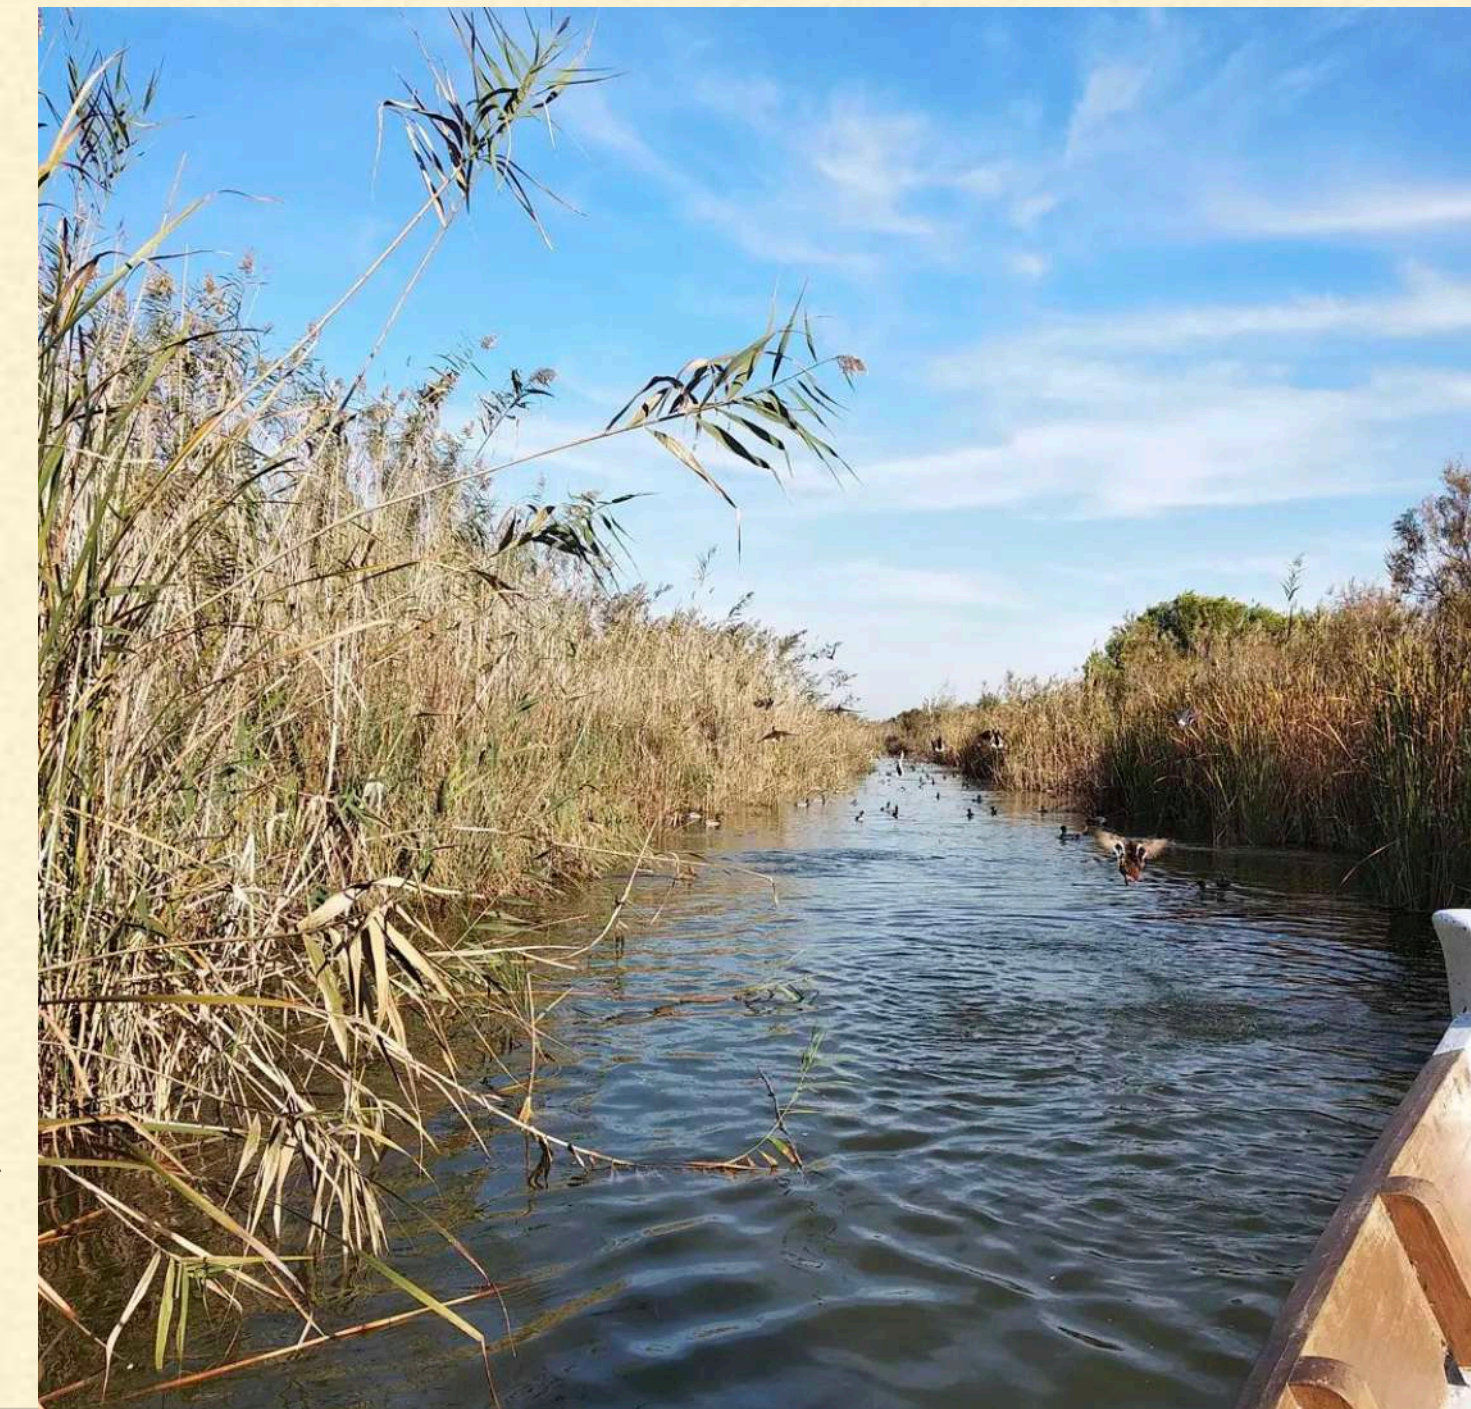

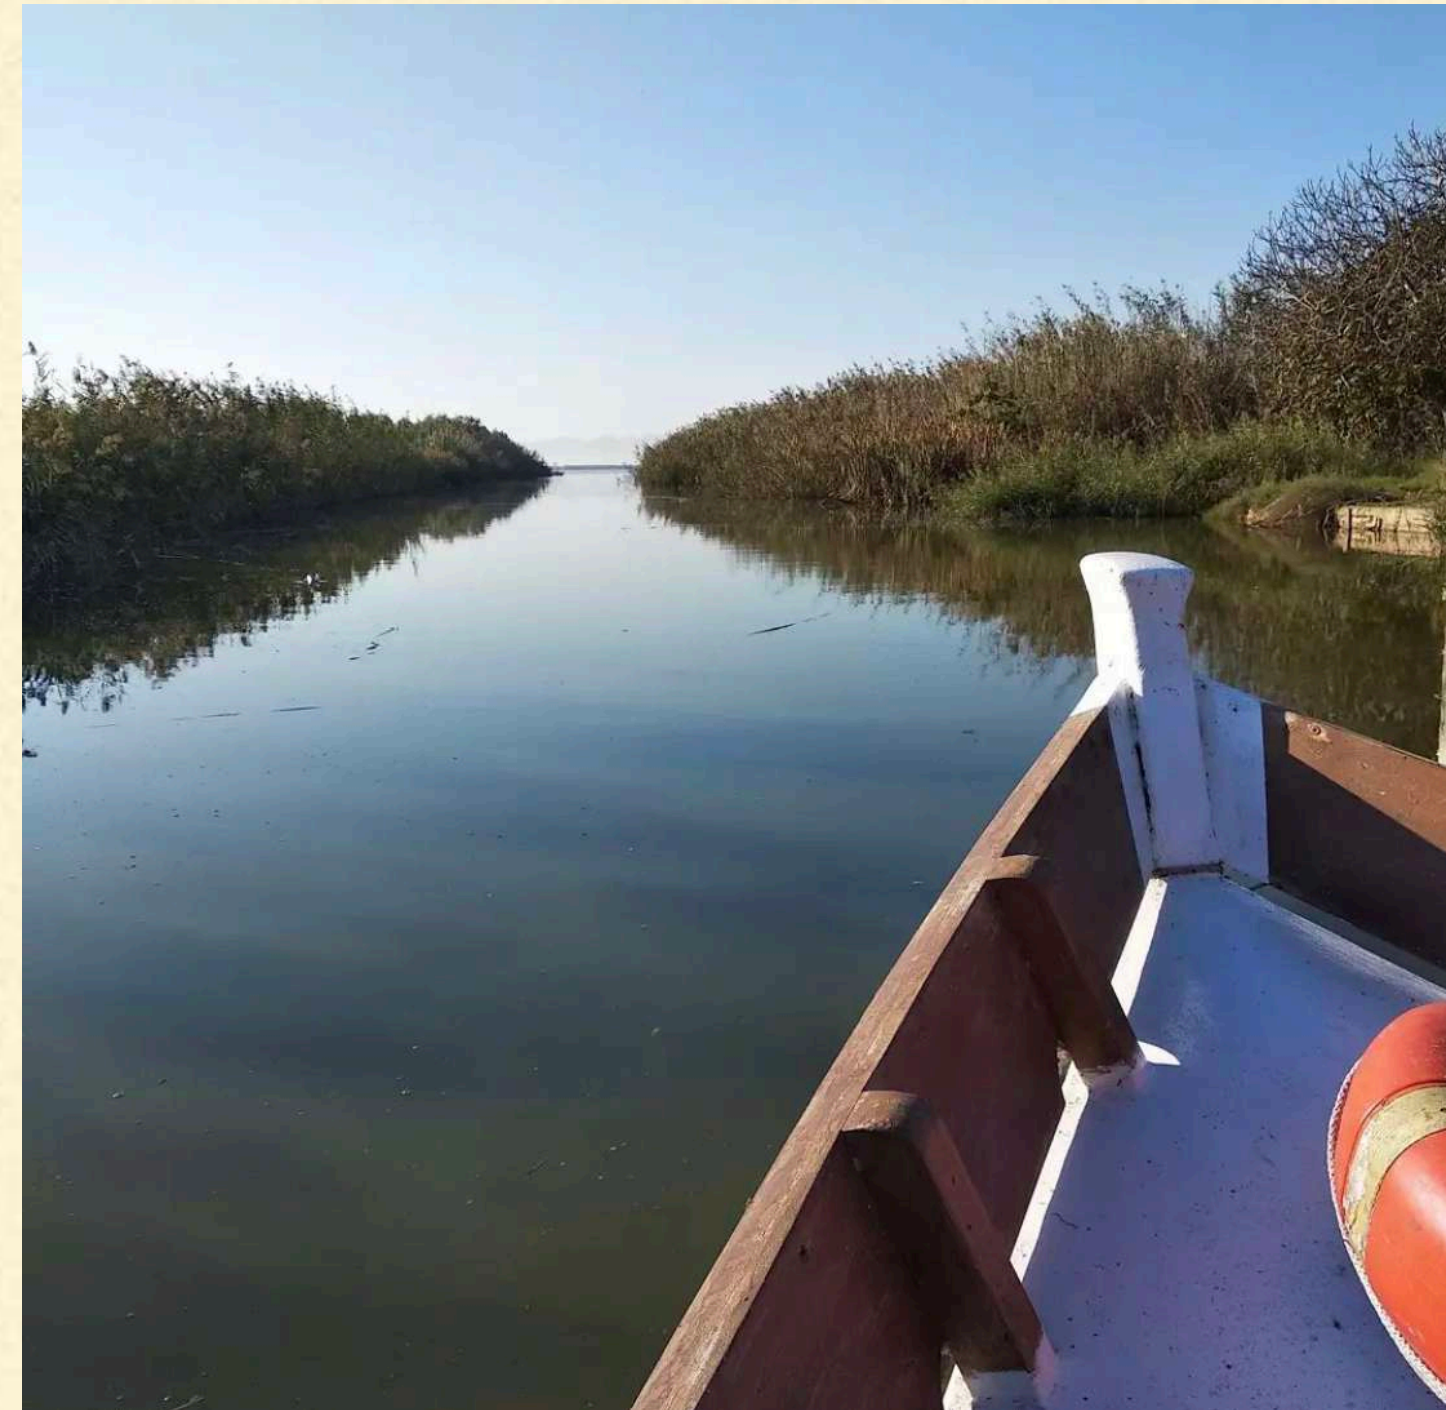

## Eating time at school

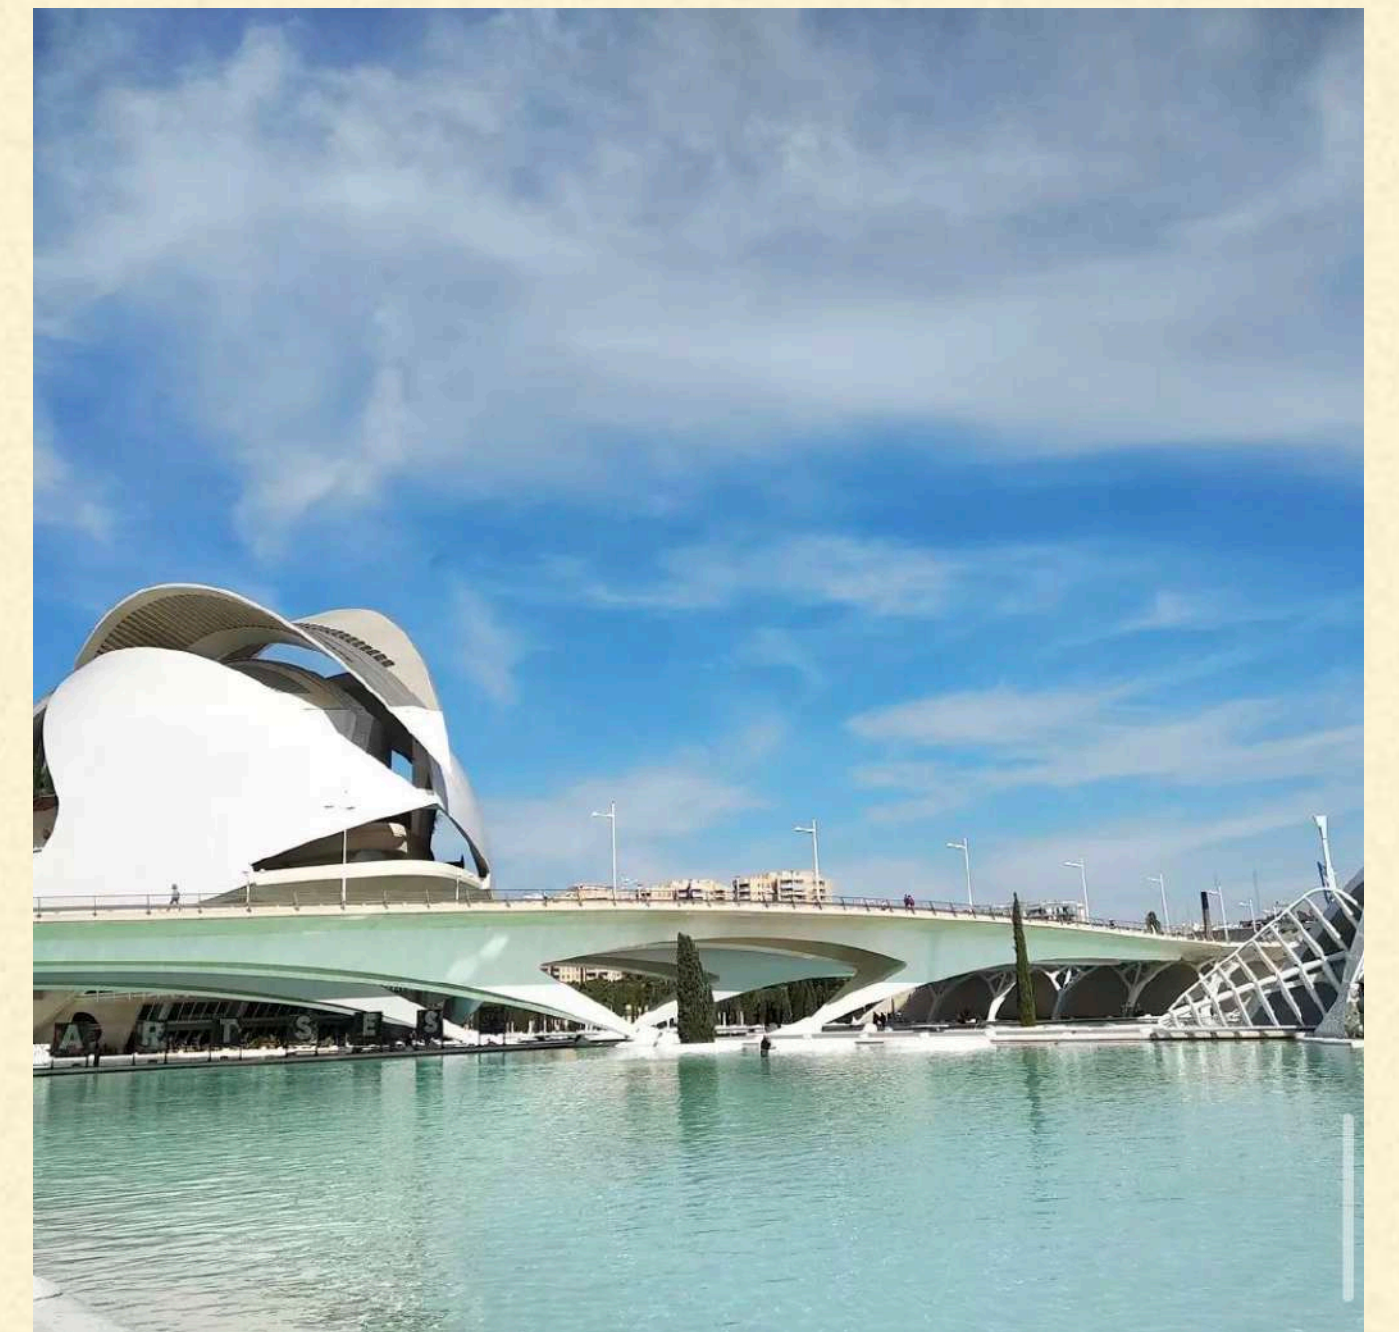

# 1 hour boat trip in Parque natural de la Albufera

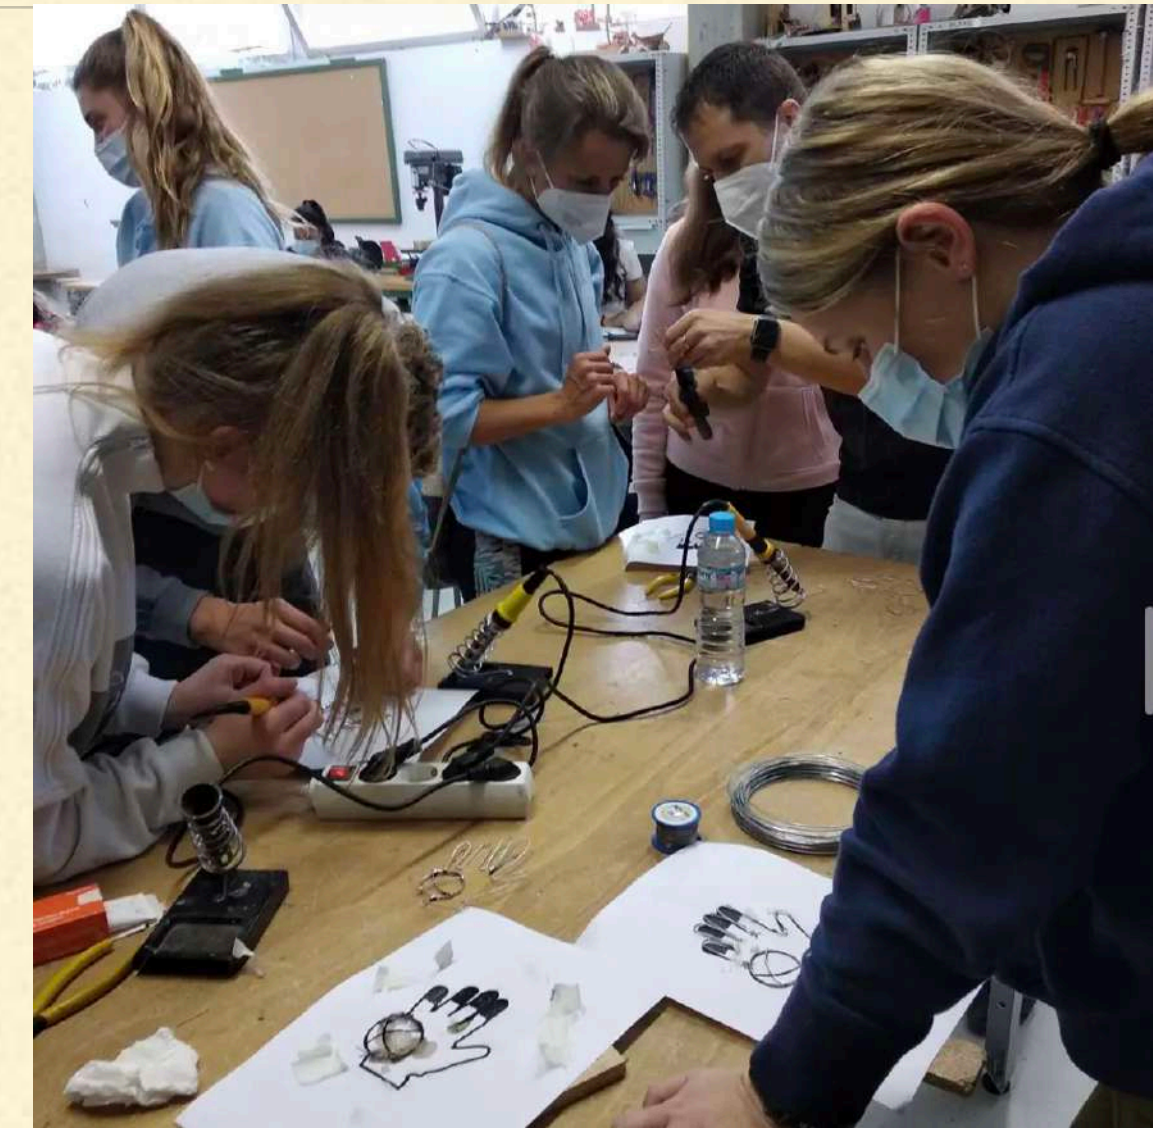

We drove to Valencia and first looked at a few things,  
then we went to eat burgers in a shopping center.

We then did sports at school and made a hand-made Valencian glove.

We also went on the canoes and stand-up paddling boards on the more, which was a lot of fun and then we went to the hostel and had a picnic with the whole group. The next evening we said goodbye to the Italians with a huge party

On Monday we flew home, it was hard to say goodbye, but we'll see you again next year
