Eze

Morning

We take bus at 8h15 and went to the Archaeological site of Aigai where we've learn about the history of Ancient greek "God" that visit last about 1hour and after the visit we got a free time to buy some souvenirs and after this we went to Veroia a city in Thessaloniki where we walk across the city to see different monument and then we go to the restaurant.

Afternoon

We ate at a very nice restaurant and it was just amazing from the first dish to the last one and after eating we went to a small "park" and there our teacher give us th to do some shopping or walk around the city.

At the hotel we were surprised because there was a lot of greek people and we talk to them and at night we get a room with the Bulgarian, French and Reunion people to talk about our stay in Greece.
