MY HOUSE

I live in a terraced house, in Roda de Ter. On the ground floor there is a garage to park the cars. On the first floor there is a toilet, a kitchen, together with a store room, in the other part there is a living-dining room. At the end of the living room there is a balcony with plants. If you go upstairs there is the second floor. Where there is a dressing room for my parents, my parents' bedroom, a bathroom, a games room with a play station 3, a loud speaker and other things. Next to the games room there is a bedroom with a bed, a TV, a wardrobe and a small sofa. Also there is a big terrace to relax.

What I like most about my house is the living room and the terrace because they are beautiful and peaceful.
