THIS IS MY HOUSE

I love my house! It is a semi-detached house situated in a very quiet area in Roda de Ter.

My house has three floors: a big garage with a little toilet, a washing room and a central heating room; on the first floor, there's a quite big kitchen, a toilet and a bathroom, three bedrooms and a very welcoming living-dinning room, from which you have access to a nice studio.

What I love most about my house is the high wooden ceiling and a big stone from the XVIII century, placed on the top of the kitchen open-entrance. It's fantastic!
