ABOUT MY HOUSE

I like my house. It is a terraced house. On the ground floor there is the entrance and a big garage. On the first floor there is a dinning room, a big kitchen, a small bathroom and room with the computer and a printer. on the second floor there are 3 rooms one for my parents, the other for my sister and the last one for me. In all the bedrooms there is a bed, a small TV and a table. There is a big bathroom with a toilet and a bath..What I like most about my house is the dinning room because in there I stay with my family when there are parties or special days.
