MY HOUSE

I live in a cottage in the country side but it's really near Roda de Ter.

My house has two floors and a big beautiful garden with a fantastic swimming pool. On the first floor, on the left side of the hall, there is a very big kitchen. Next to it there is the washing room. On right side of the hall there is a wonderful living-dining room. On the ground floor, there is my toilet with a shower and my bedroom, too. I love my bedroom. It's quite big with an enormous comfortable bed. There is also a big desk with two chairs. There are shelves with books and teddies. The walls are full of photos and posters. In my bedroom I also have a door leading to the terrace. It's very big and you can see the countryside from there. You can enter the terrace from the living-dining room. Upstairs there is my parents' bedroom and their bathroom. At the second floor there's also the guest room where my sister sleeps when she come to visit us.

I love everything in my house but specially the terrace and my bedroom.
