MY VOKI

MY HOUSE

I love
my house! It is a semi-detached house. It
situated in Roda de Ter in the “Bac de Roda”
this neighborhood it's quietly and very nice.

On the ground floor there are a big garage for three our for cars.

When you enter in the entarnce on ride you encontrate the garden and there, they are the turtle and the cat.

At the first floor our downstairs, at right there are a small bathroom and a big living room, at the left they are the kitchen and the washing room, then you up stairs and you encontrate the second floor.

On the second floor straight there are a big bathroom, at the right, there are two betrooms, at the left there are a big betroon and a betroom in to the big betroom.

The most ike about my hause is my garden, because my garden are very nice and there have very plants and trees, also I like my garden because in one tree there have a swing.
