A manger is also a Christian symbol, associated with nativity scenes. Is the special exhibition, particularly during the Christmas season, of art objects representing the scene of the birth of Jesus. Nativity scenes exhibit figures representing the infant Jesus, his mother Mary and Joseph. Other characters from the nativity story such as shepherds and sheep, and angels may be displayed near the manger in a barn (or cave) intended to accommodate farm animals. The figures may be of any material. In some countries, the nativity scene took to the streets with human performers.
