My house

I live in a semi-detached house in a little village next to Roda de Ter.

My house has two floors, on the first floor there is a hall, a big kitchen, a little toilet and a big living room. On the second floor there are four bedrooms and two bathrooms, one is my brother's another is my mother and Carles', another is my 2 stepbrothers' and the last is mine and my sister's.

In the house there is also a big garden with a vegetable garden. Also there is a garage with two rooms, one is the laundry room and the other is a study for children to make crafts.

I Also live with my father in Manlleu, a city next to Roda de ter.

This house also has two floors and one garage. on the first floor there is a kitchen and one living room. And on the second floor there are three bedrooms and bathroom. In the garage there are one toilet with a shower and a study where my father has all the tools. There is also a terrace and a very small garden. My favourite part of the house is the study because it is very big and very beautiful.

My house in Folgueroles.
