

Nativity scenes in Roda de Ter

In Roda de Ter every year for Christmas you can find Nativity scenes in Can Planoles (it is a building of the Town Hall). Since about more than 35 years ago you can find Nativity scenes in Can Planoles. On the seventh of December the exhibition opens and it close on the eleventh of January.

The Catalan pessebristes organization makes this Nativity scenes in Roda de Ter.

In this new edition there is another group who makes this they work hard and they very energetic an ethusiatic and they are good receiced by the public. The older group are the members of the catalan federationof pessebristes.

The main activity every year of Roda's *Pessebrista* Group is the staging of an exhibition of dioramas in the Can Planolas social centre, an exhibition of seven *pessebres* of considerable dimensions with, in addition, an audiovisual *pessebre*.
