

I live in Tyrnävä in Finland. The nearest city is Oulu. I live in a detached house. Our home is brown log house. There are 4 bedrooms, living room, kitchen, toilet, bathroom and a hall. I live there with my family. I have mum and dad, 3 sisters and 4 brothers. We have 3 karelian bear dogs.

I'm friendly and happy.

I play the piano. I have played the piano for eight year. I play the piano every day.

In my freetime I go to my friends, and I'm with my dog.
