

GETTING TO KNOW EACH OTHER

Hi, my name is Pol. If you want to know more about me click on my VOKI

MY VOKI

THIS IS MY HOUSE

I live in a semi-detached house in the outskirts of Vic.

My house hasn't got any floors, it is only the ground floor, where there is the kitchen, the living-dining room, 2 bedrooms, a bathroom and a computer room.

What I like most about my house is that is very quiet and also I love that is very big, but I love my garden, I like everything because I love being quiet and I don't like living in the center. Also there is another house above my house but anyone lives there.
