LET'S GO SHOPPING!

When we go shopping with friends we always follow a route. We go to La Maquinista in Barcelona by train; we leave in the morning from Vic. We arrive in Barcelona in Sant Andreu Comptal station and then we enter La Maquinista, a big shopping center. We normally go to all the shops we will describe, specially Hollister, Stradivarius, Bershka and Kaotiko.

If you like the urban culture you can go to Hollister, Kaotiko, Stradivarius, Berska and Pull & Bear, but if you like another kind of clothes you can go to Benetton, which is not as urban as the other shops that we mentioned but it is so beautiful.
