48	On 4 I chose Good, because rare I was't able to follow them and did'nt understand what they want.
47	Because I learned a lot in the program.
46	I indicate excellent because everything was great, we all got along really well, we had lots of fun. I liked the games as it wasn't expected by me. I learned some new things. I also have better understanding of culture and stereotypes because of the models we made. All in all it was a great experience I shared with some beyond amazing people.
45	they did a lot of noise
44	Because it was nice to interact with other people of different nations and cultures, for they have different lifestyle and different ways of thinking.
43	It was very interesting to communicate with the others and exchange our ideas
41	We were able to identify the importance and the meaning of the workshop, but sometimes we made fun of the activities and didn't follow our instructions exactly
42	It was very interesting to communicate with people from other countries
40	I think it's important to connect with students around the world
37	Because they were helpful and cooperative.
38	because they were helpful and cooperative
39	I've chosen mostly excellent or good, because the people who led the workshop were very friendly and they explained everything pretty good.
33	We were given the opportunity to interact with students from other countries
35	
	The Croats were very hospitable and cooperative.
28	-
36	the food was excellent because I was the only vegetarian and because of that I was the only one who got different food for every meal. The other students got nearly every day the same food (meat).
49	Everything was great.
50	It was nice experience.
51	we had prepared the meeting and the other students gave us tips to enjoy it
52	we carried out many researches for this project and I read a lot about it .
53	I personally shared an exposé in class and I took part in workshops
54	we have been working on the topic for 1 year and I did researches
55	we did a lot of work on the topic and I took part in workshops . The former pupils also came to talk about their experience
56	I love to invest myself seriously so I was concentrated when we worked on the topic before the week

48	We want to play a game that we played too and present the iceberg model.
47	By doing a workshop with them and making them understand the project.
46	Well,we made a plan on how are we going to present it to everyone at our school. We intend to make the Iceberg and tree model, because we thing it will give them better insight on what the project truly is about.
45	I will repeat the same activities we did in the workshop in Croatia
44	In the form of a presentation using the iceberg model and some games to make it more fun :)
43	we will present the theory and then we are going to play a game
41	We will discuss and inform the students about the theoretical background and then play a game
42	we will present the theory and then we are going to play a game
40	Using the models that were taught to us by the trainers
37	We prepared a workshop in which we will present the culture models.
38	We prepared an Presentation in Karlovac
39	I will present the things that we've done in Croatia infront of a class and I talked about the learnings with my friends/class.
33	Through some interactive games and culture modes
35	
	With a small presentation and a workshop.
28	with a short introduction to the learning and with a presentation to the pupils.
36	by a workshop and a presentation lasting 1.5 hours with the students in one of the 9. classes.
49	I will participate in workshops.
50	Through games and talk.
51	to do a workshop during the Fight Discrimination Day to all the year 12 + implement 2 workshops
52	Implementation of workshops fo "fight Discrimination Day at School " + 2 workshops

48	Not really, it was very nice
47	No.
46	Not really, I personally think everything went great and it was fun.
45	No, you did a perfect job
44	NOPE.
43	No, everything was perfect
41	no it was perfect.
42	no, everything was fine
40	More projects like these :)
37	No.
38	no
39	I don't really have an advice.
33	Try asking for student opinion about the topic the way it will be presented to them
35	no
28	-
36	Maybe do a shorter city tour, because it was a bit boring and in my point of view only a few of the students listened to it. And maybe let the students that aren't vegetarians decide if they want to eat meat every day or not.
49	No, I don't.
50	No.
51	no everything was excellent
52	To carry out another project ?
53	none , it was a really well prepared
54	I hope you will do another project with the students of all the 4 schools again
55	No, it was a very good experience
56	To continue working on the subject because Refugees matters !
