17 răspunsuri

Me enjoy the eat

Bowling

The weather

We have met new kind of people and we improved the english language

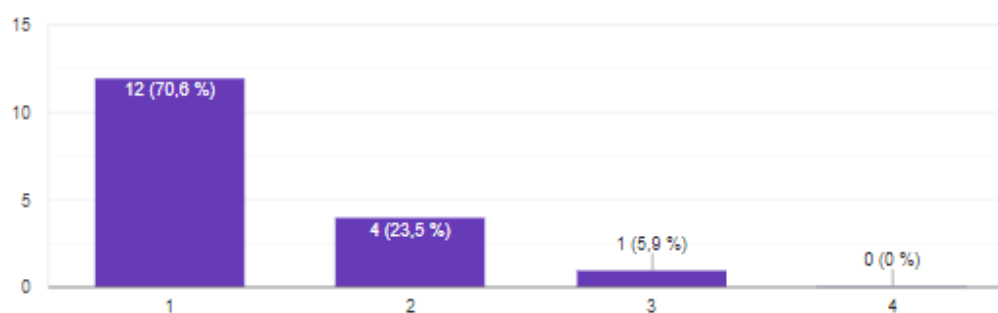

I enjoy working with our students. And our students improved their abilities to communicate and to involve in the project.

The preparations were on point, The thing that I enjoyed the most was the fact that I got to know new people, make new friends and see the old friends that I made in Germany. The most useful aspect was that we worked together as teams.

It was my first experience in such a project and i liked to work with students and teachers from the other countries.
