

SWOT ANALYSIS

INS MARINA

INTERNAL ORIGIN

STRENGTHS	WEAKNESSES
Promotion of ICT tools and skills	Students lack of effort when dealing with activities or projects, lack of motivation, overuse of screens and digital games
High number of enrolments	Deficiency when using Catalan language, Spanish is given a priority
Prestige and school status in the local community	Deficiency in healthy habits during the day (skipping breakfast, poor eating habits at home, drinking during weekend)
Participation to diverse innovative projects	
Grup d'Experimentació Plurilingüe to deal with CLIL in PE, Technology and Biology lessons	
Great quantity of measures to make inclusive lessons and activities aimed at everyone at school	

EXTERNAL ORIGIN	OPPORTUNITIES	THREATS
	Possibility to take part in different projects at a school and community level	Low sociocultural context (families with low resources, low income)
	Reference school in the area	Low use of Catalan and other foreign languages, no opportunities in the area
	Diversity of students, different ethnics, religions, cultures, languages...	
	Wide educational options compulsory and non-compulsory studies	
	Green areas surrounding school	
	Great offer of sport activities at school and in the community, many of them for free
