Sofia Sc.	0 Points	Did not participate
Samuele	8 Points	E' bellissimo
Ginevra	6 Points	Che faticata
Matilde	8 Points	Con la lucetta è meglio
Diego	0 Points	Did not participate

Teacher's Evaluation This activity was the hardest one. We tried different solutions with different materials and at the end we came up with a sort of car. In order to let them work on the activity we mainly used paper tape to keep components together. Pupils also decided to add a little light
