

Report of May and June, Mickūnų kindergarten, Lithuania

1. Colloborative book about the proffesions of the past

<https://www.storyjumper.com/book/read/111483082/60df6f447df05>

Together with all partner schools we put the information and pictures about the profession of the past to one book.

2. Event entitled: Europe Day and eTwinning Day, and Museum Day

We shared the wishes and also created the posters about Europe and eTwinning Day:

<https://padlet.com/annmagiosi/okzf0zzeguy416b>

Also we collect the pictures about the most important museums in our country (all the museums are closed still)

3. June activities: Welcome June, summer paintings.

Some of children can be in preschool, but not all, because still we have extreme situation in our country because of COVID-19.

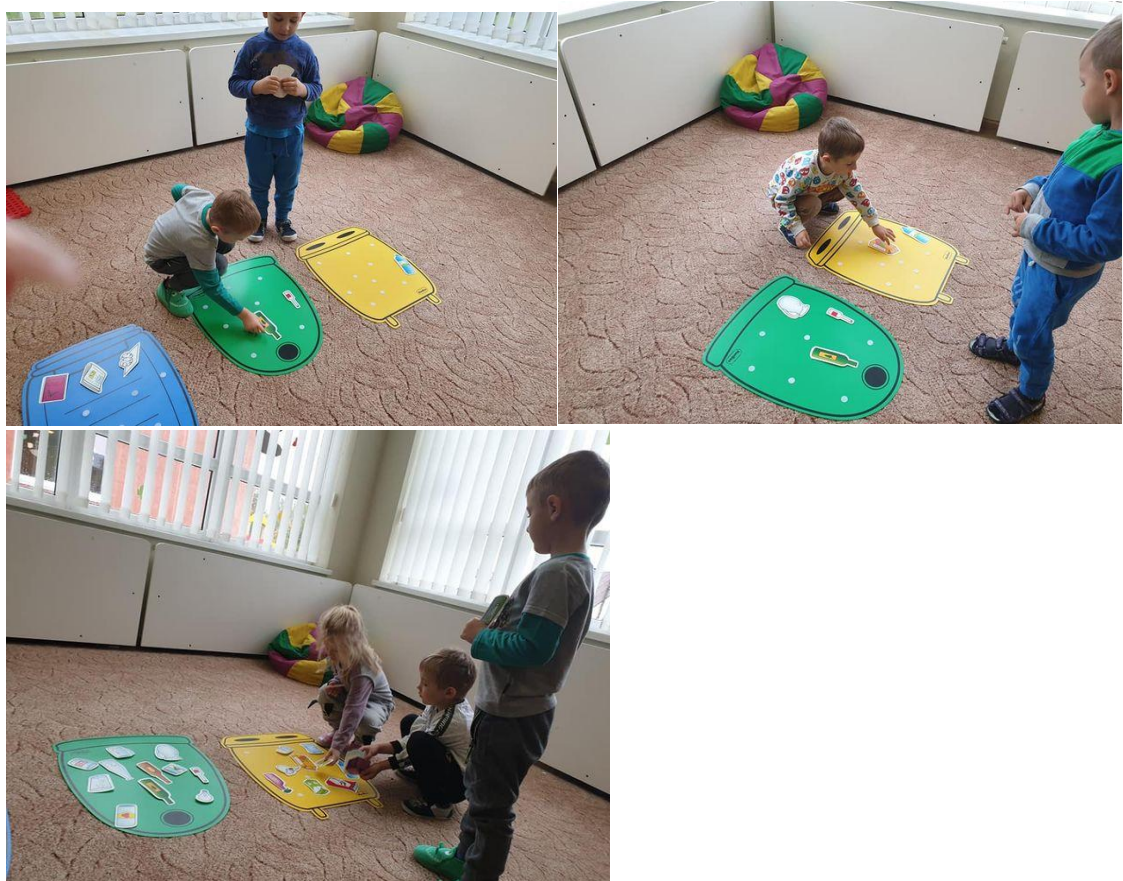

Children painted summer.

4. Environment Day

Each June or also during the school year (it's depends on our educational program) we organize for children the short projects about the Environment day, why it's so important to keep the environment clean and green, and also how can we help other to learn how to do this.

7. Management activities

At the end of May and June we sent the monthly reports to our project coordinator. We have done all project activities, even we are closed.

We decided about the prolonging of our project, so we will organize other activities from September 2020 till May 2021.
