

Report of April, Mickūnų kindergarten, Lithuania

1. Flowers against COVID-19

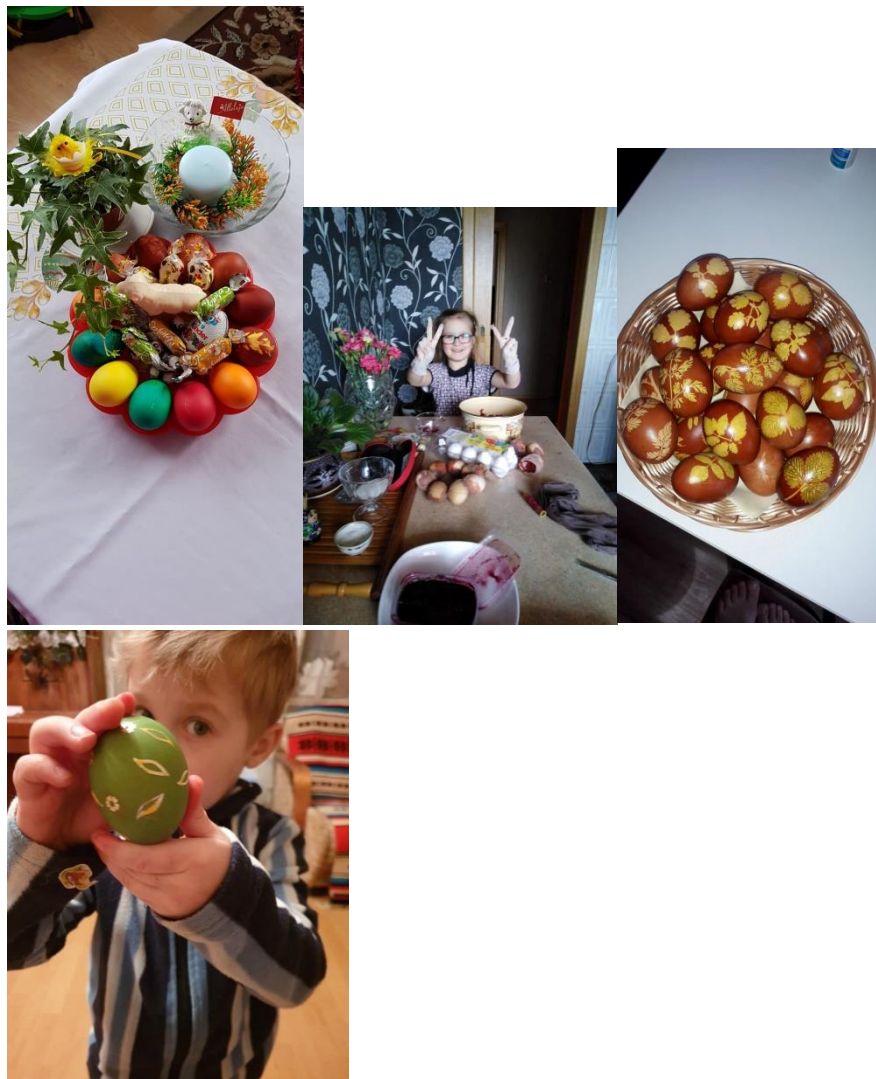

Almost all the partner schools are closed, some of them are still working, so for them is easier to organize all the activities with children, we are closed.

And we joined the eTwinning event, that was organized by our project coordinator.

2. Easter eggs and Easter cards

Children are at home, so it's easier to collect the pictures with home painted easter eggs. We asked our parents to help us with this activity, each family had they one tradition how to paint the Easter eggs, so we asked them to share this moments with us, and we got a lot of beautiful pictures.

3. Easter wishes

WE shared the Easter wishes with our children and parents that are at home.

5. Management activities

Still we are closed, because of COVID-19.

At the end of April we sent the monthly report of April to our project coordinator. We have done all project activities for April.

We answered to the questionnaire about April partial evaluation of project implementation.

We received on time the list of May activities from our coordinator
