

Description:

MY CAR TYRES manufactures car tyres with high quality standards for its customers. And we have a wide range of products.

Mission:

It is to grow step by step towards becoming a customer-focused company that maintains its pioneering position in the sector by increasing its capacity, meets the expectations of its stakeholders, values employees, is a leader in its region, is sensitive to the environment.

Vision:

Our vision to be a leading and innovative brand in the sector, which is known in the domestic and world market, preferred primarily.

Goals:

- To produce our tires in the most durable way.
- Further develop the product range.
- To enlarge our team.
- Being a known company.
- Promoting environmentally friendly tires.
