

## **Akish Confectionery sustainability concept**

**Vision: The vision from the company is the sustainability and the important parts for reaching this are; the environment to make the earth clean and our company. And our goals are to develop the company and to make it more qualitative.**

**In this concept we would like to say what occurs and what is important for the green economy.**

**The Akish Confectionery is about candy, how they effect to sustainabilty,economy, health and environment.**

- We can reduce the garbage**
- Buy fair trade products for the company and so on.....**

### **Sustainability leadership:**

**Sustainable leaders look beyond immediate, short-term gains to see the role their organization plays in a larger context. They set strategies and ensure the delivery of results that meet the triple bottom line of social, environmental and financial performance. Sustainable leadership behaviors.**

### **Examples:**

- fair pay**
- no overtime**
- holidays for recovering**
- fair working conditions**
