

Italy – Meeting with the Olympic athlete Donato Sabia

Olympic Games

26th May 1984

Los Angeles, United States

World Record for 500 metres
1'00"08

His record wasn't broken until the 5th February in 2013, nearly 29 years later

We interviewed Donato Sabia at our school, this was one of the questions we asked him

What was the relationship between the athletes like?

Was it friendly or not?
