

**27th NIGHT OF  
RAMADAN - QADR**

The 27th night of ramadan is called Lailat al Kadr, the Night of Power.

It's a very special night for the 1.57 billion Muslims all around the world and this is no ordinary night for them. It's the night in which the first verses of the Koran are believed to have been revealed to Prophet Muhammed in Mecca (Mekke) in the year 610 AD.

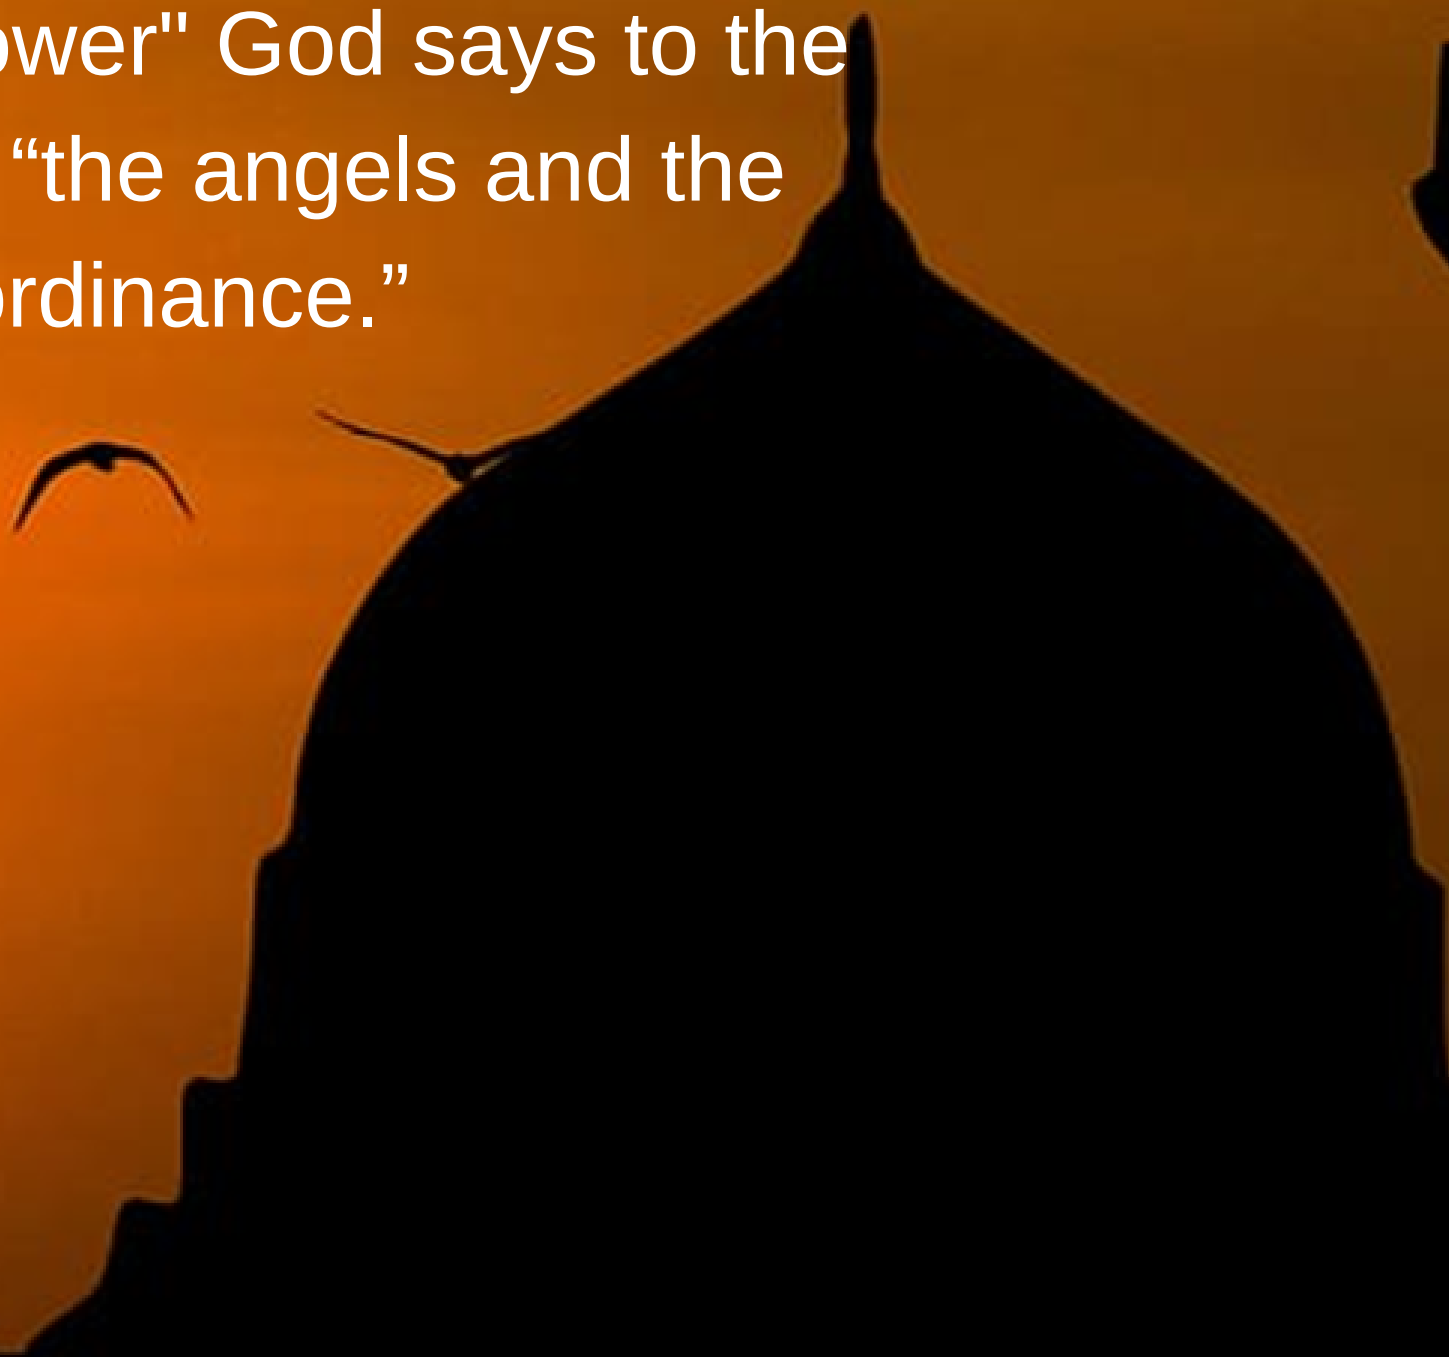

Muslim tradition holds that when Prophet Muhammed received the first revelation in a cave on the mount of Hira, it was the 27th night of the month of Ramadan.

The anniversary of that night, or, say, the birthday of the Koran, became the holiest moment in the Muslim calendar.

The reference to it comes from the Qoran itself. One of the shortest chapters of the Muslim scripture is named “Qadr” and it tells why this evening is so special.

“Truly We sent [the Koran] down on the Night of Power” God says to the Prophet. It is “better than a thousand months.” and “the angels and the Spirit descend by their Lord's authority with every ordinance.”

4. Therein come down the angels and the Spirit by Allah's permission, on every errand:
5. Peace!...This until the rise of morn!

# What is the wisdom of saying that The Night of Power is better than a thousand months?

"A thousand months" eighty-three years and four months it corresponds to the duration. Good Of The Past what people earn for a lifetime spiritual order in one night it's an opportunity to get it.

Rasulullah (a.s.m.) among the children of Israel to the companions for one thousand months in the way of Allah he said he fought armed. The companions were surprised to hear this and little did they see of their deeds. Its Surah Qadir was sent down upon him.

# How should we spend the Night of Power

Our Prophet (s.a.v)'s:

“On the night of Qadir, in the congregation at the Isha prayer he who is present will receive his share from him” and “Until the month of Ramadan comes out, evening and Isha and perform your prayers with congregation, from the night of Qadr you would get that many shares as” good news “to consider: at least during Ramadan morning, evening and Isha prayers in congregation it is understood that making is a great spiritual gain.

In Turkey Kadir Gecesi it's celebrated on 27th of every Ramadan. This year it will be 27/28 April, beginning — as the traditional Islamic day does—at sunset in the evening 27th and lasting until the following evening 28th.

Muslims traditionally offer each other oil bagels on the night of Qadir

May your  
Quadr Night  
be blessed
