

## My Personal Diary

In november of 2021 I went to Portugal on an Erasmus project. Thanks to that, my friends and I went to the city of Porto with students from Italy, Lituania, Cyprus and Portugal. It was an amazing experience. The excursions that we did were interesting, the trip in Guimaraes and the walk by the Duodoro river, which I put a photo of him at the bottom, were my favorite trips, but the best part of the Erasmus was the friends that I met. Everyone was very kind and charismatic. Talking with them I learned a lot of new things and I improved my english notoriously, it also was fun to hear English spoken with a Greek or Italian accent.

Before the trip I didn't had big expectatives of Porto, but once I was there, I got amazed. Porto is a beautiful and precious city and i'm sure that I will come back one day, but i know that without all the friends that I met, it won't be the same.
