MINUTES:

- The coordinator clarifies doubts about the Cyprus presentation and the contents it should include. The Deadline for the presentation is January 2021.
- We check that all the presentations (supposed to be done in Portugal) and the Project songs are uploaded in our drive folder. Then they will be uploaded in Twinspace.
- We proceed to talk about the ideas for the creation of the startup. Irene, Clelia and Eli have the same idea, which is to create a webpage offering many different activities related to sustainable tourism. Yiannis also explains his idea.
- The coordinator also explains and shows the next steps for the creation of the startup. He has already started with the organisation of the business (initial capital, students roels, constitution rules).
- Eli suggests to create a grid to schedule all the steps and tasks to be done after the idea is clear.
