

ITALY

26/04-30/04

The hosting week in Italy has recently ended, a truly beautiful week, it gave me the opportunity not only to see my friends previously met in Cyprus but to make new ones. it gave me the opportunity to discover places in my land.

I will never thank Erasmus enough for the possibility of having this wonderful experience that made me grow a lot.

below a photo of me and two Lithuanian girls Kamile and Eva, two very sweet girls.
