

PERSONAL DIARY BY BERTA VILA

In this photo we are Laia Rodellas, Laia Cercuns, Jordi, Ingrid, Marika, Alice, Flavio, Teresa and me. We took the photo on Friday after dinner at the FARM. For me it was the best moment of all, although this does not mean that I had a good time in the others. After the photo a DJ came and we had a good party. It was great and I will always remember it. In addition, here we all already knew each other and we spent the whole day talking and laughing. Just by rehearsing it I want to go back, I miss them a lot.
