

In Lithuania I experienced one of the best weeks in my entire life, all thanks to Erasmus.

I started the week knowing basically nothing about Lithuania and Lithuanians, but as soon as I arrived I saw incredible landscapes, flabbergasting cities and lively people.

During this week I also improved my language skills, be it English, Spanish or even some Lithuanian! Let's not forget about all the friends I've made, with which I still keep in touch, and all the incredible architecture I witnessed, which has inspired me in lots of ways.

All in all, this was an incredible experience, one that I recommend to everyone; I will forever remember this,

Thank you Erasmus, Flavio.
