

## EUROSTAR

In the Erasmus week, sincerely, I have spent a great week. I've made new friends, and also I have learnt about new cultures, each one so different. Never I'll have a better experience than that one.

To finish my personal experience, I would say that the best part is the joining together. It's also a family project and we were so united.

(In the photo my brother is missing but he helped us a lot and he was really involved).
