

Lithuania personal diary

This experience has allowed me to share special moments with new and very different people. I have also been able to get to know the culture of this country and part of its heritage. Apart from this I have had the opportunity to practice my English speaking with many people from different countries.

This photo is very representative of the trip as it is the farewell dinner. We had a great time together at dinner because we talked about our experiences with the trip and we had a lot of fun.
