

Big city waste

**Stamped out cigarettes
Returnable bottles left
For collectors in the cold**

**Lonely furniture
Forgotten moving boxes
Imaginatively labelled bins
Shards of glass
Like stars in the sky**

**Stench from dustbins
Dirt
Wherever you look
A sea of crown caps on the roadside
Apples chewed
Going bad
Forgotten broken bicycles
Coloured garbage bags
Scattered like Smarties**

**Chewing gums trodden down
On the pavement
Paper crumpled up
Used tissues
As yellow as the sun
Packaging
As empty
As many people's brains**
