

Hey,  
I'm Alvaro Maldonado,  
I'm 14 years old and I live in Valdepeñas, a city near Madrid. I love basketball and I play in my city's team. In my free time I like to play videogames and listen to music, especially rap. I'm tall, I have black and short hair and I wear glasses. I'm kind and sometimes funny :D My favourite subject is P.E. because I like sports. Also I like English and in August I passed the B1 exam.
