We have just had a school trip to (Warsaw, Kraków, Gdańsk). It was really (nice, interesting, educational) and we had a (fantastic, great, nice) time.

This is a city in (the centre, the north, the south) of Poland, (located, situated) (on the bank of the River Vistula, at the Baltic Sea, in the Tatra Mountains). It is a (small, big, capital) city with the population of about (100,000, 2,000,000) people. There are (a couple of bridges over the river, a lot of museums, some art galleries). And hundreds of schools. There is a university, too. The biggest shopping centre is called (Złote Tarasy, Atrium). The most famous tourist attraction is (the Palace of Culture, the Wawel Cathedral, the Royal Castle).

The people in here are (helpful, friendly, enthusiastic) but very (busy, hardworking, arrogant). The life here is rather (fast, slow, boring).

But I think the best thing about (Warsaw, Kraków, Gdańsk) is (the atmosphere, the architecture, the public transport, a great sense of history).
