

# OUR DREAM SCHOOL

Our students took part in a project  
in which the task was to make a  
model of their dream school.

Here you can see one of them.

# OUR DREAM SCHOOL

cinema

hammock

popcorn machine

Wi-Fi corner

pools

slide

As you can see it would have everything we can imagine: there would be a cinema, where we could watch all our favourite movies. Of course there would be a popcorn machine to enjoy the movies. We could have a rest any time we feel tired in the hammocks all around the school. There would be Wi-Fi corners everywhere so that we could chat if we feel like. There would be pools with fantastic slides, to relax after the hard lessons.

# BALASSI BÁLINT PRIMARY SCHOOL

But what is the reality?

Our school looks like this. It's quite large with 2 buildings.

It was built in 1979 when there were more than one thousand pupils here. Now we are much fewer.

# BALASSI BÁLINT PRIMARY SCHOOL

The school is called Balassi Bálint  
Primary School.

It was named after Balassi Bálint,  
who was a Hungarian poet in the  
sixteenth century.

# TEACHERS

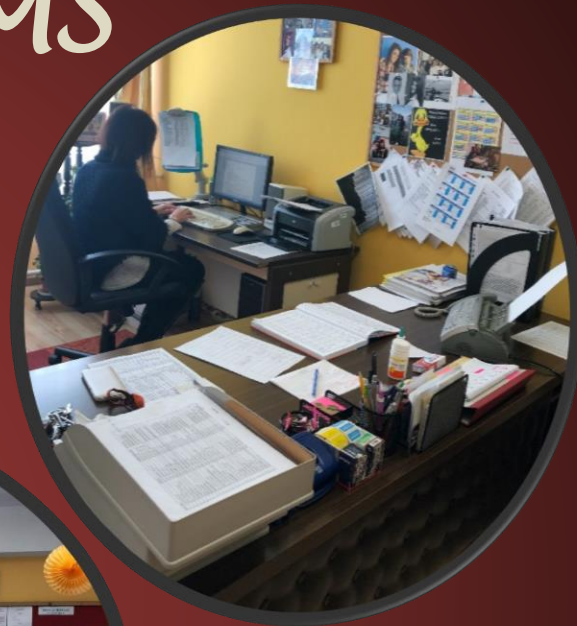

When you enter the school, the first thing you can see on the wall is the photos of our teachers. You know they're there because sometimes our parents forget their names. So when they come to a parents' meeting they can check them before.

We have really good teachers who try to do everything so that we can be successful. The pupils here are from the age of 6 to 14, so they do not have an easy job with us.

# STAFF ROOMS

The places where there is definitely internet connection are the staff's rooms. You can see our deputies work hard all the time.

Our teachers do not like if we are on our mobiles all the time. Although there is Wi-Fi at school, we sometimes have to go to the toilet, to get the information on the social media in secret.

# CLASSROOMS

We do not have hammocks at school, but we have lots of classrooms. Some of them have been renovated recently, some are still old.

# CLASSROOMS

# CLASSROOMS

You know, we enjoyed the renovation a lot. It started in October so it was really noisy and dusty.

We didn't mind it at all, but this couldn't be said about the teachers.

# SPORT FIELD

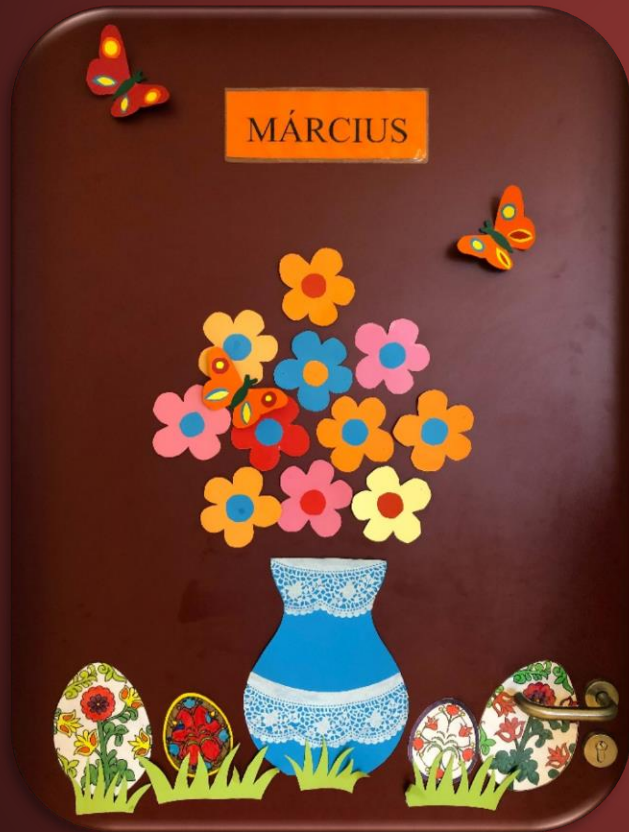

Actually, we have a swimming pool at school, but it has been out of order for some time. So we can't have slides either.

But we have a large yard with a football pitch which got a new rubber cover. We like playing football there.

# CLASSROOMS

We don't have a cinema, but we have very nice decorations on the walls that we can look at all the time. Sometimes they are so nice that we'd rather enjoy them than listen to the teacher.

# DECORATION IN THE HALL

Autumn

Winter

We also have a big hall which is decorated differently in each season.

# HALL - SCHOOL YEAR START

# HALL - CHRISTMAS

# HALL - CARNIVAL

We use it for various events. We have the start of the school year ceremony here, we celebrate Christmas, we have the opening waltz at the Carnival.

# HALL - 15<sup>th</sup> MARCH

We celebrate our national days, like the 15th of March. We have a school choir which sings beautiful songs on these festivals.

# HALL - FUN

But it is also the place where we can play table tennis or just sit around and have fun together.

# SCHOOL BUFFET

snacks

sandwiches

We don't have popcorn machines  
but we have a buffet. Pupils can  
buy snacks, sandwiches or drinks.

# SCHOOL CANTEEN

We have our elevenses and lunch in the canteen. We do not have separate lunch break, everybody can have lunch when their lessons are over.

The food is not the best, but it's OK, you will taste it.

# COOL CANTEEN

Sometimes we have the events of  
the project called Cool Canteen.

We love them!

They want to promote healthy  
eating. So far, we have tasted  
different salad, pasties.

# COOL CANTEEN

We made and drank fruit cocktails.

# COOL CANTEEN

We made veggie sandwiches, and though it is not very healthy, we could even have some dessert from a chocolate fountain.

# SCHOOL ACTIVITIES

We know, our duty is to study hard.  
Our students achieve very good  
results at competitions and our  
school is an accredited excellent  
talent point.

# SCHOOL ACTIVITIES

## World Animal Day

However, we prefer out of class activities. We mostly enjoy Animal World Day, because we can bring our favourite pets to school, too.

# SCHOOL ACTIVITIES

## Hiking

We go hiking and cycling or to camps to Lake Balaton.

We enjoy when our teachers cook the traditional Hungarian food called Gulash for us in nature.

# SCHOOL ACTIVITIES

Playing with Zümi, the bee

The younger ones' favourite activity is when they can play with Zümi, the Bee robot.

# SCHOOL ACTIVITIES

Just having fun

There are a lot of opportunities  
just to have fun here, that's why  
we go to this school!

*WE WISH YOU HAD FUN  
AT OUR SCHOOL!*

*ENJOY YOUR STAY!*

*THANK YOU FOR YOUR  
ATTENTION!*
