- I disagree with the statement.

Conflicts - perception

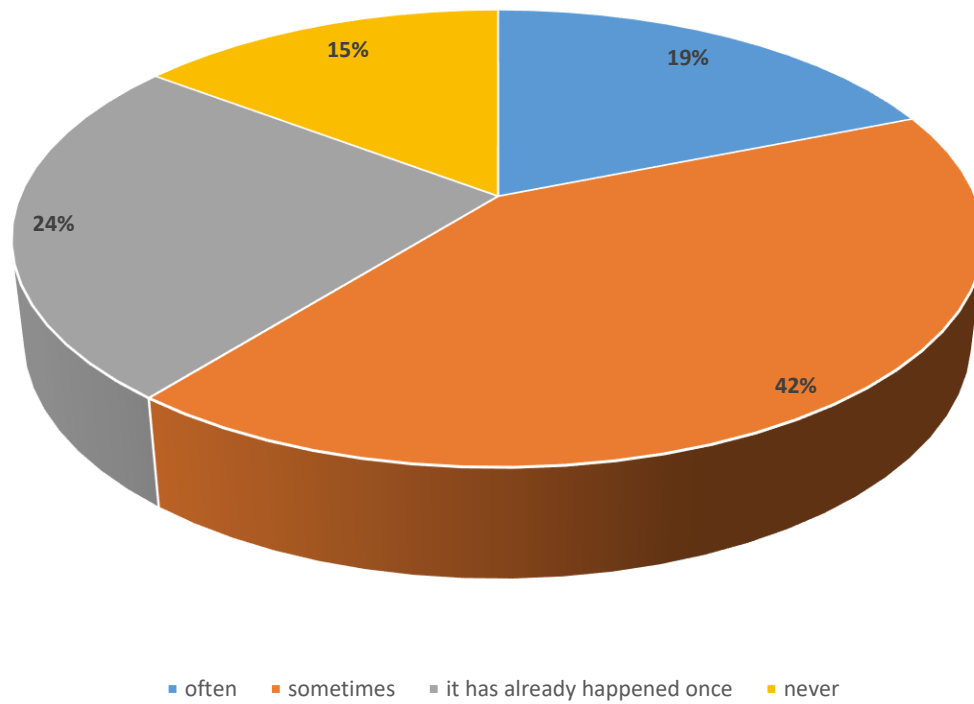

Students take away each other's belongings.

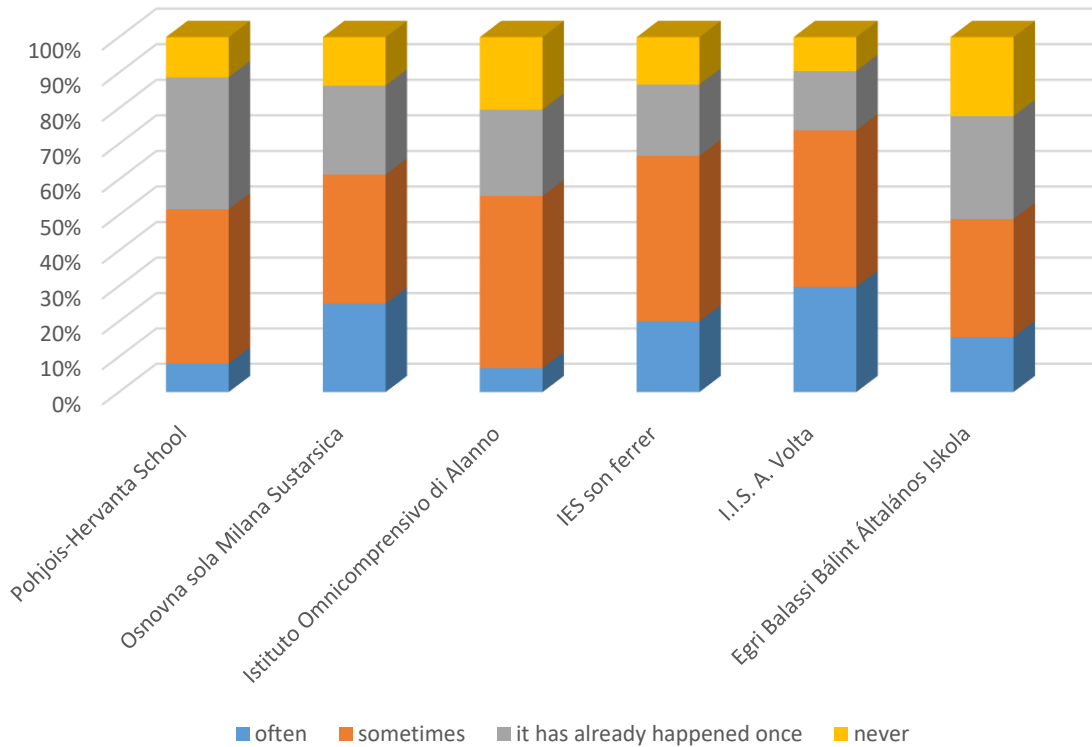

Students take away each other's belongings.

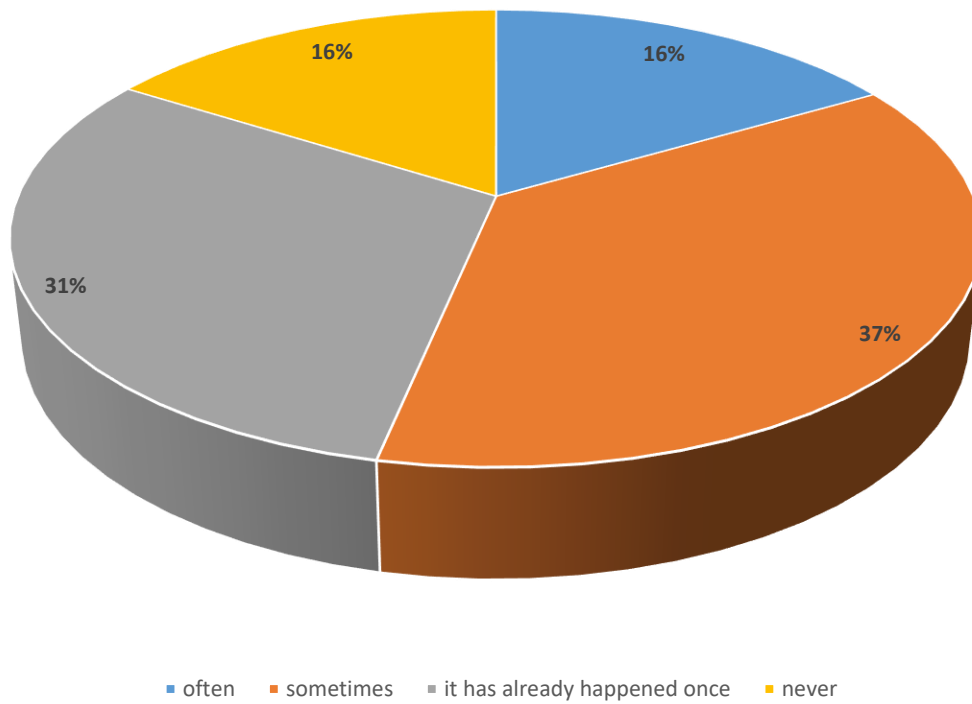

Students tease each other, they mock someone.

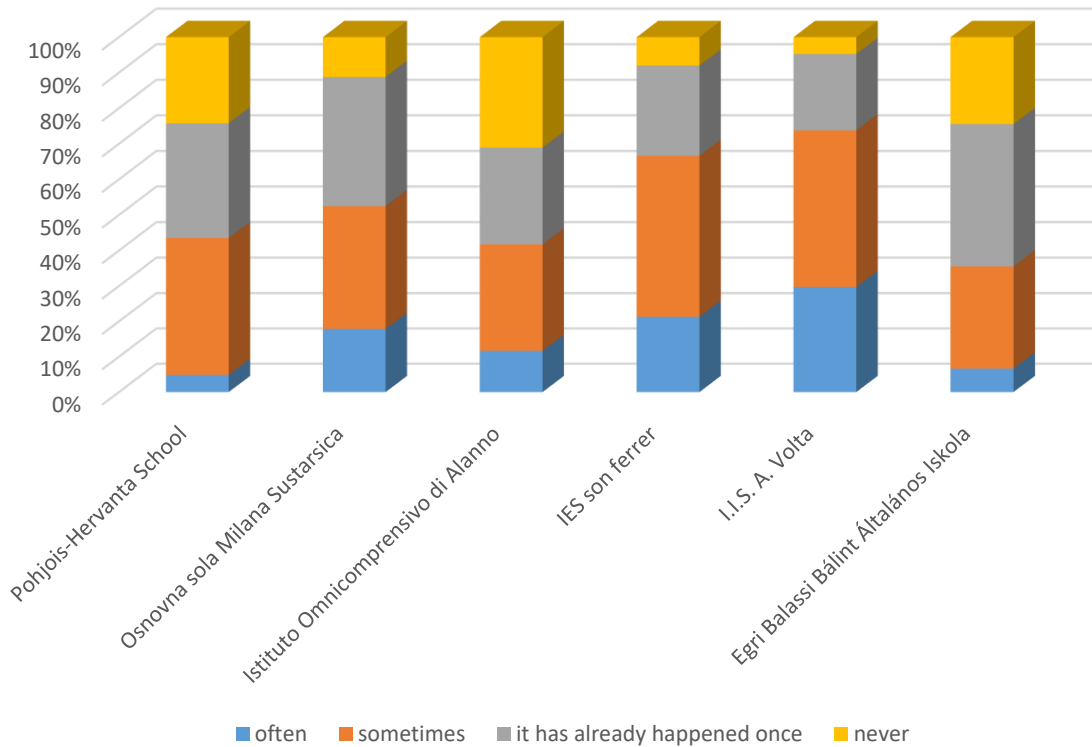

Students tease each other, they mock someone.

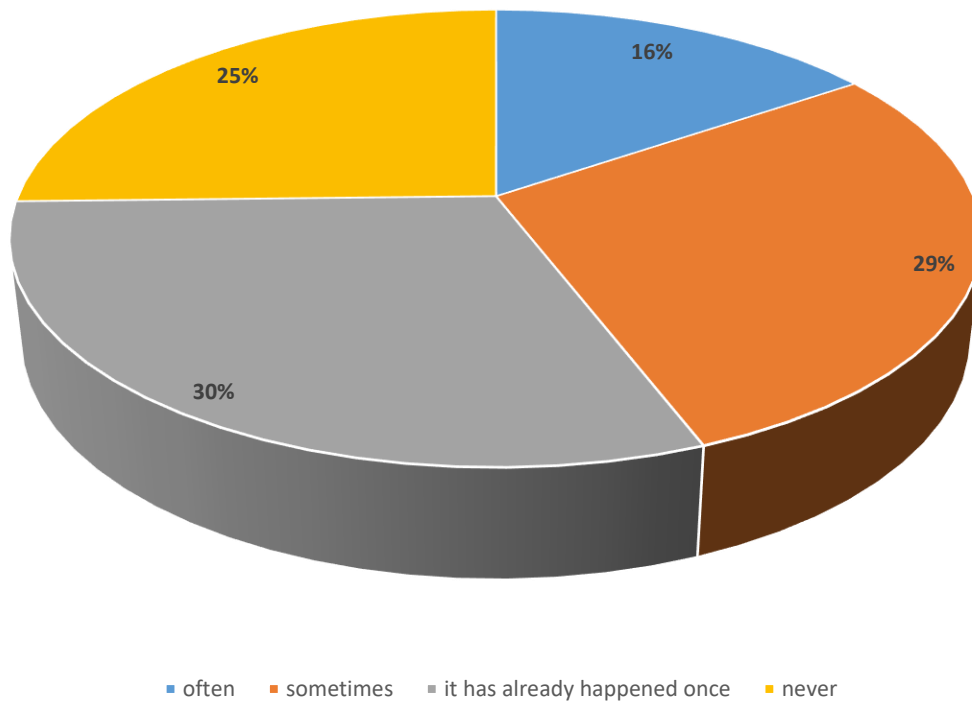

Students push someone deliberately.

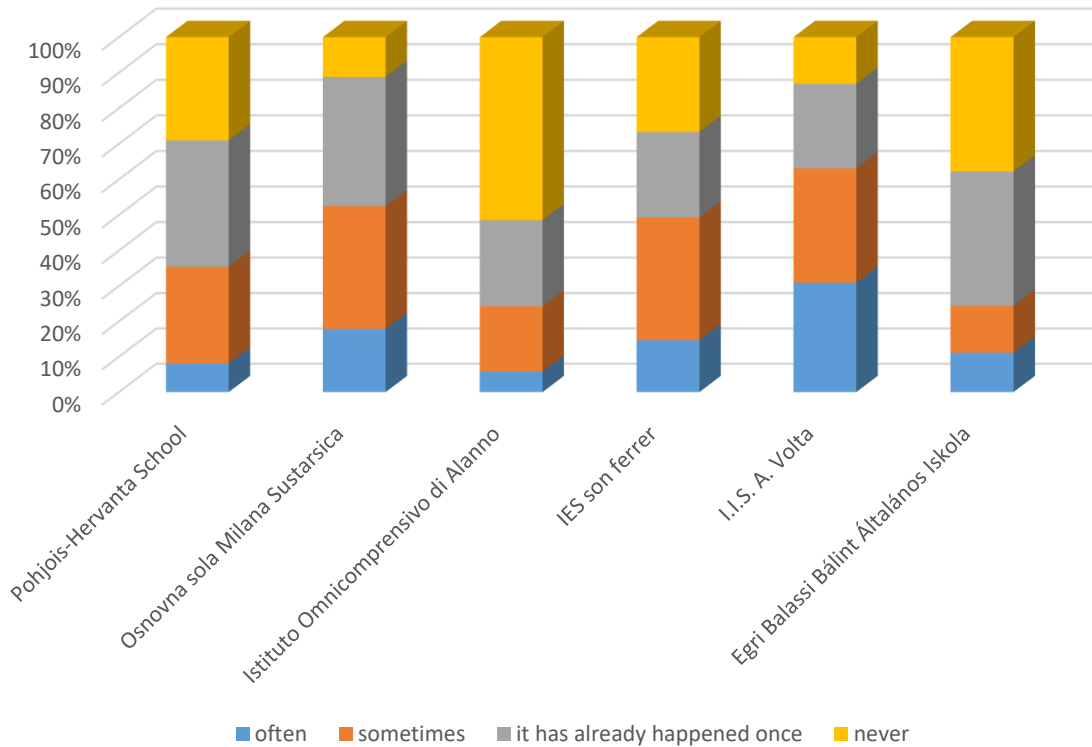

Students push someone deliberately.

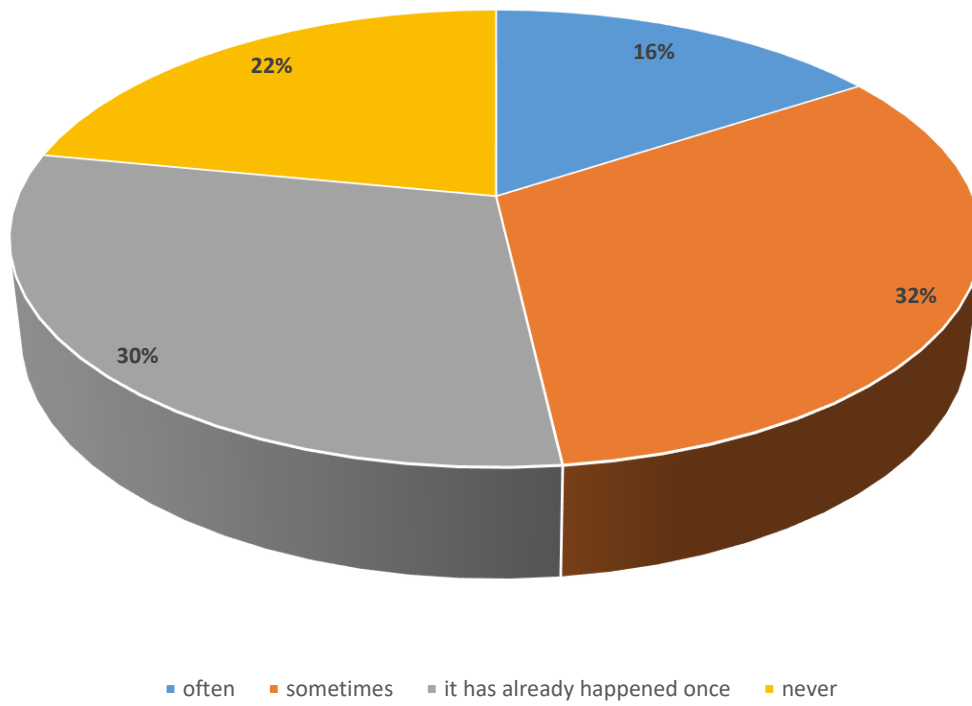

Students hit someone.

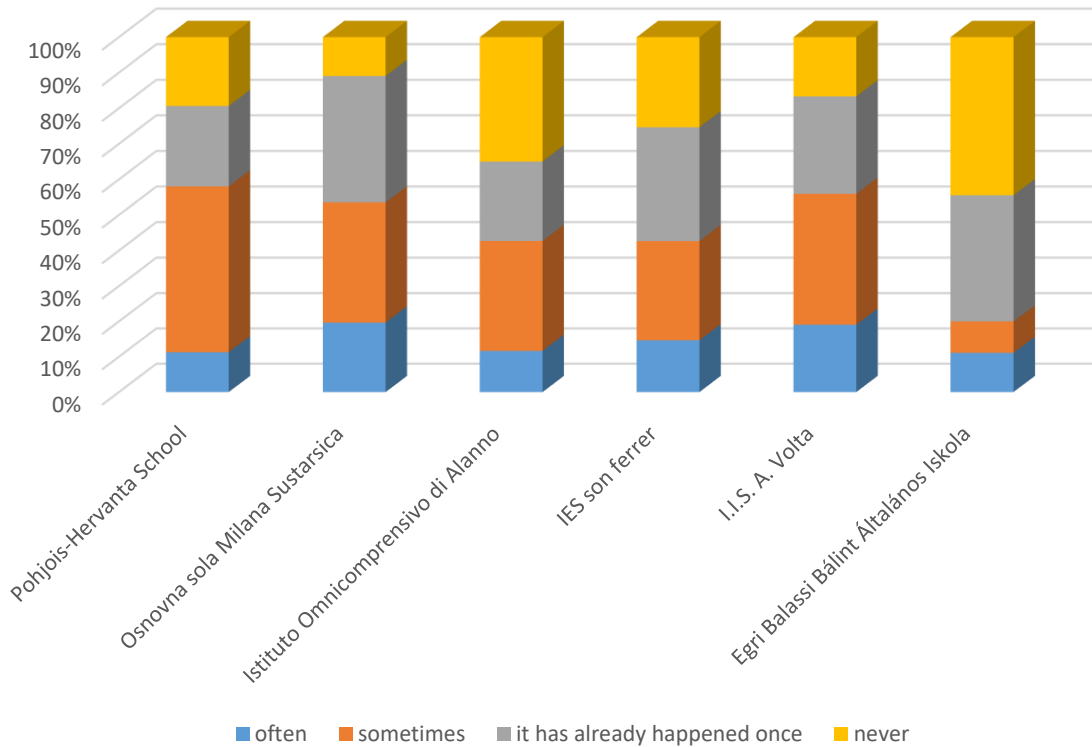

Students hit someone.

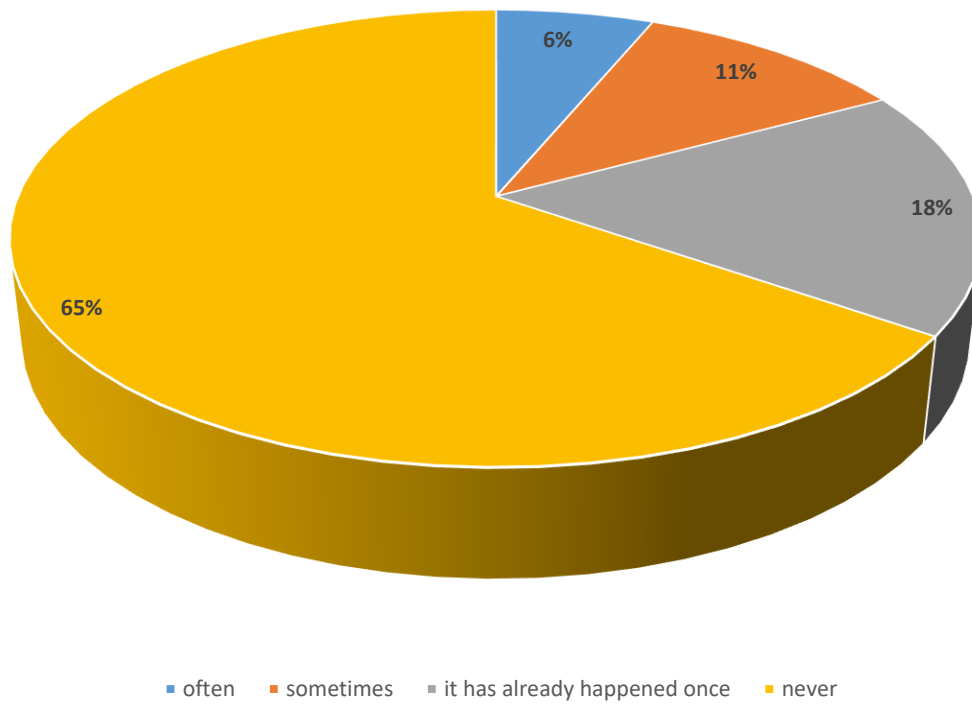

Students exclude someone.

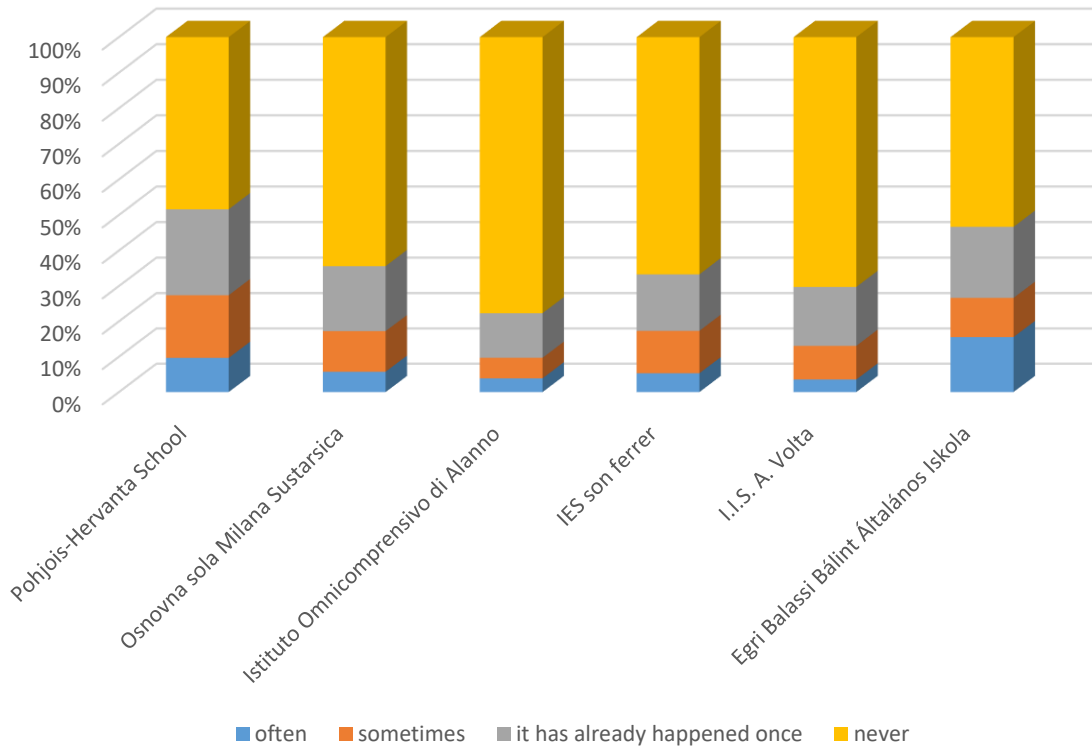

Students exclude someone.

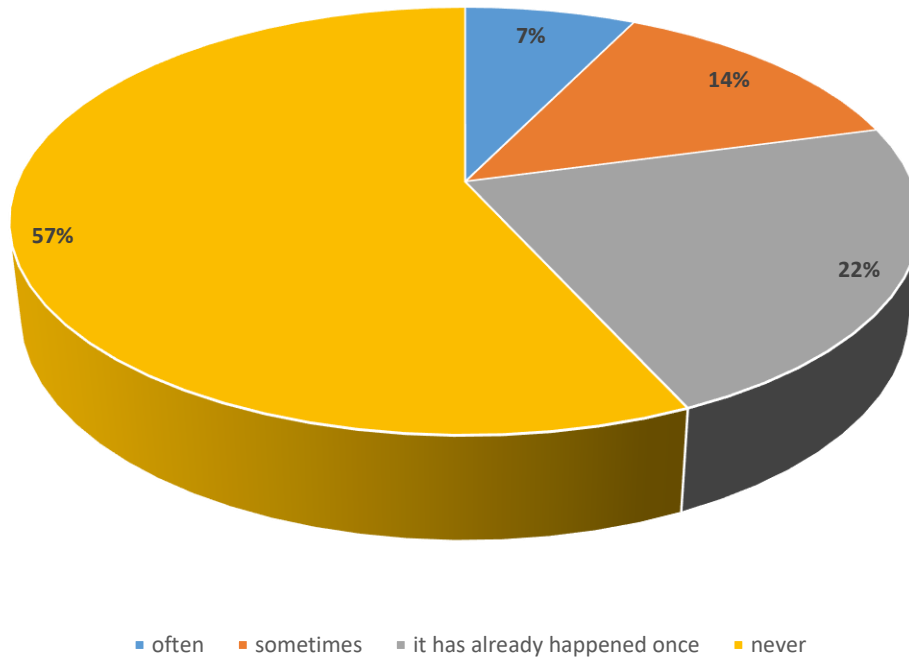

The smaller, the weaker student is forced to do things.

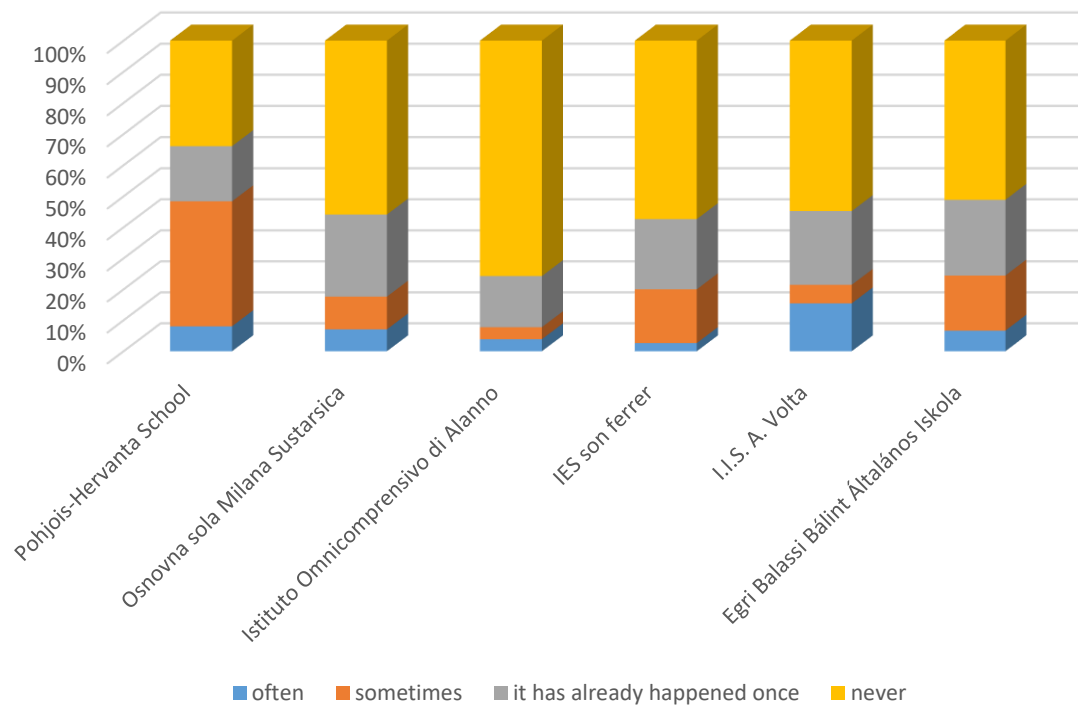

The smaller, the weaker student is forced to do things.

Students tease, mock someone through the Internet (eg. through social media, e-mails).

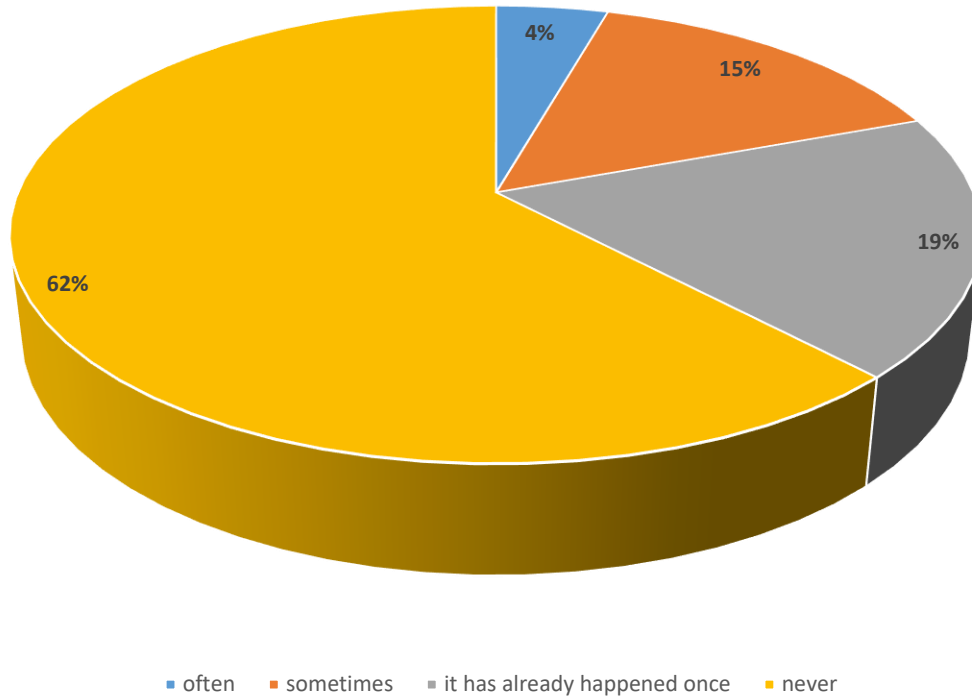

Students tease, mock someone through the Internet (eg. through social media, e-mails).

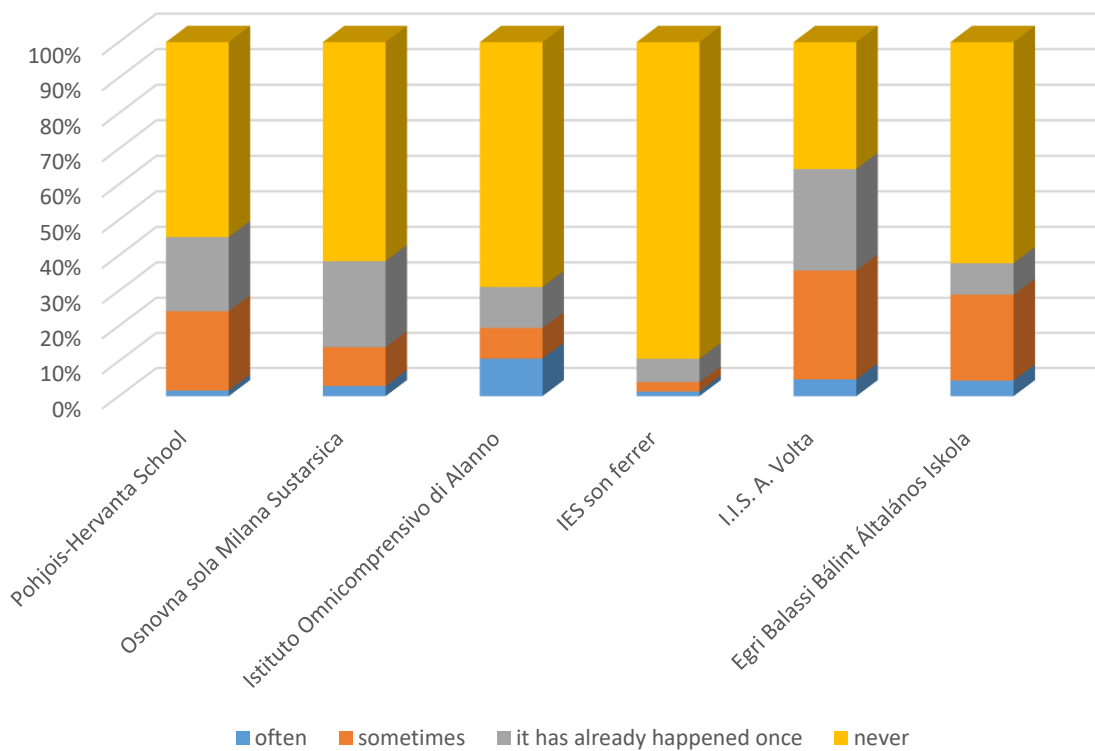

Conflicts - perpetration

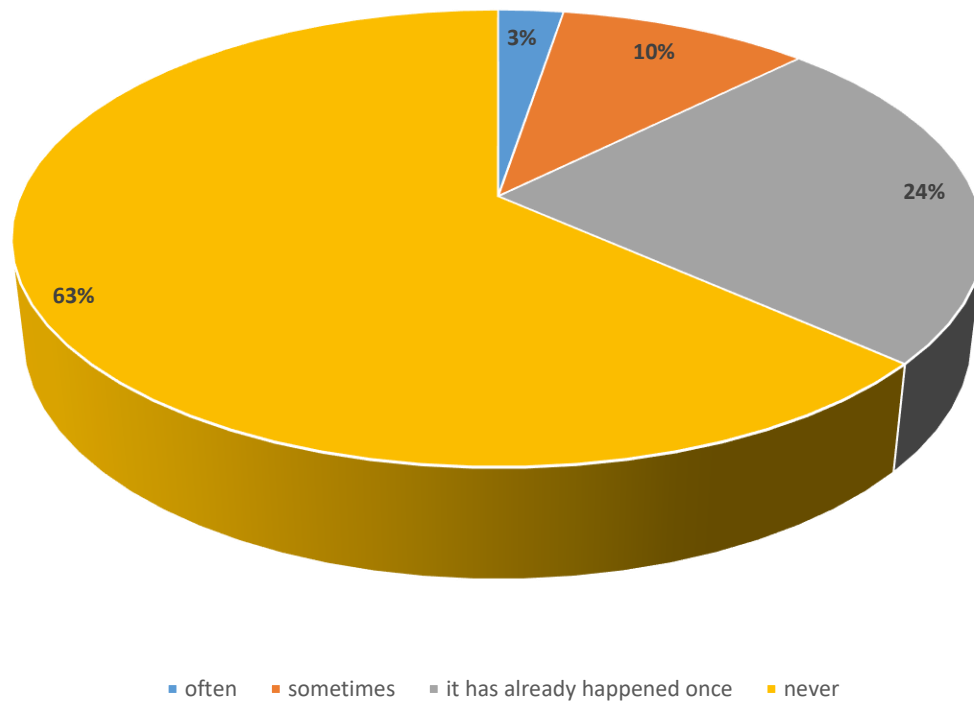

You take away others' stuff.

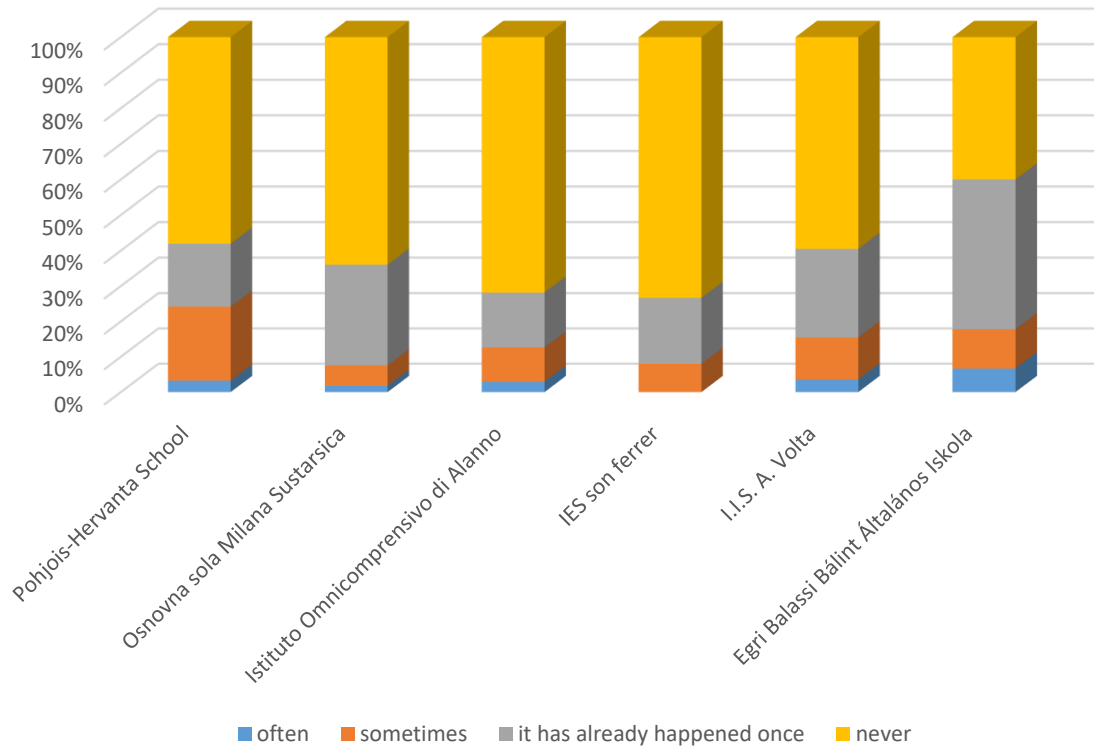

You take away others' stuff.

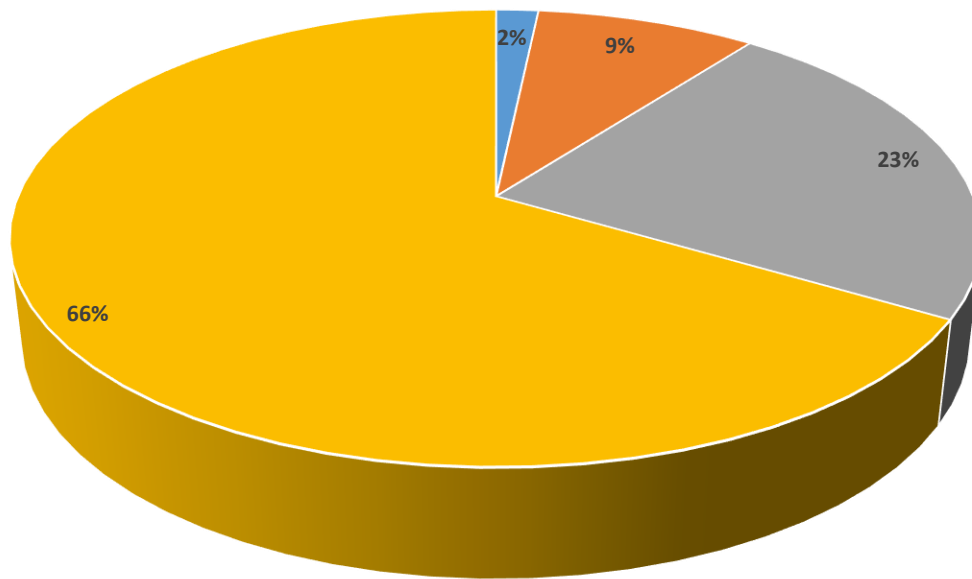

You tease, mock someone.

You tease, mock someone.

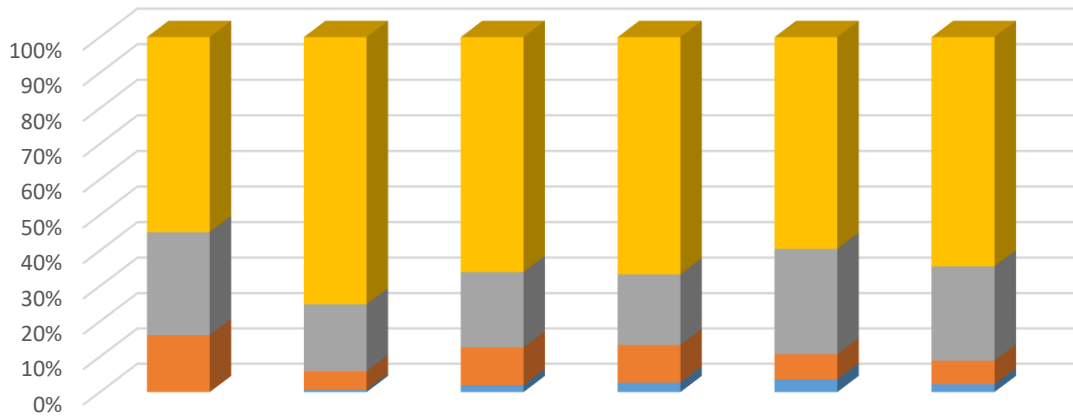

You push someone deliberately.

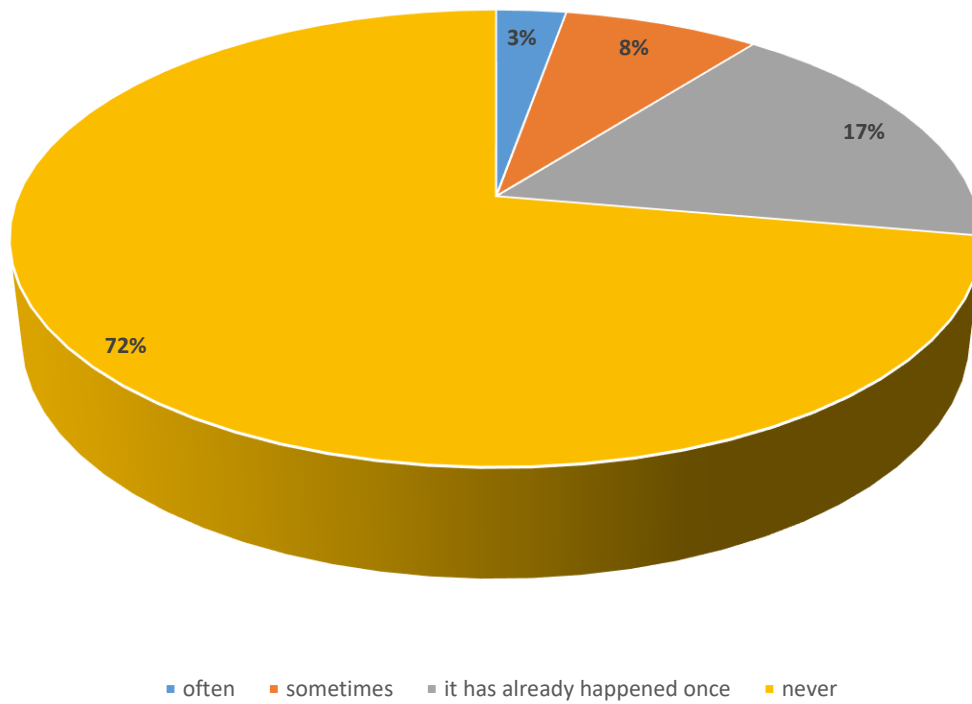

■ often ■ sometimes ■ it has already happened once ■ never

You push someone deliberately.

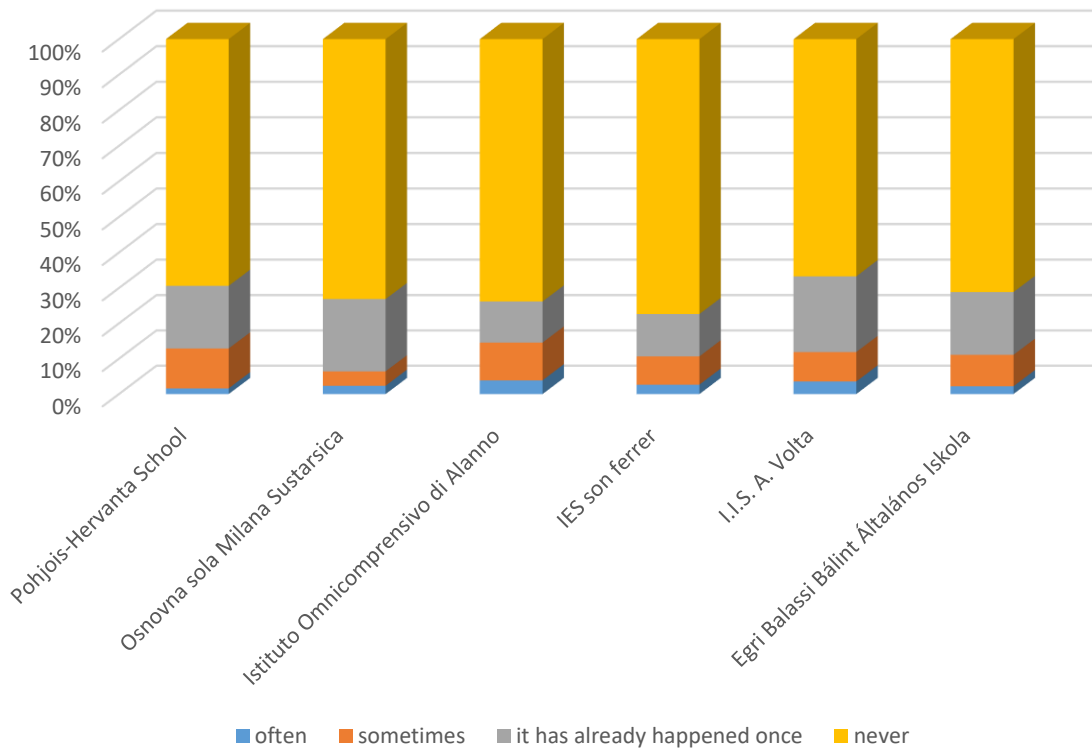

■ often ■ sometimes ■ it has already happened once ■ never

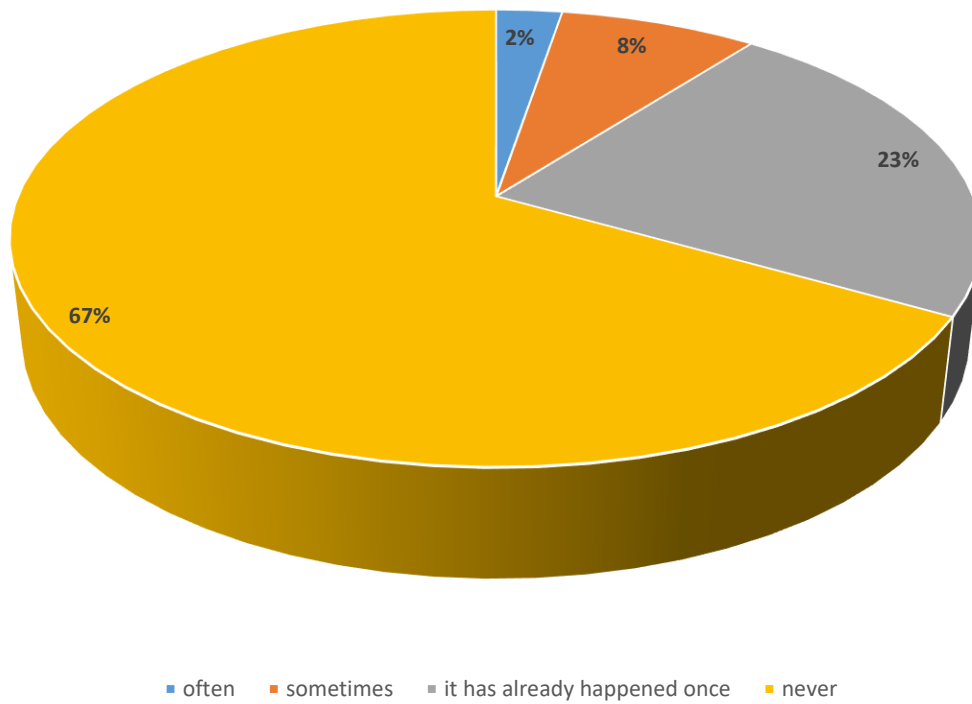

You hit a student.

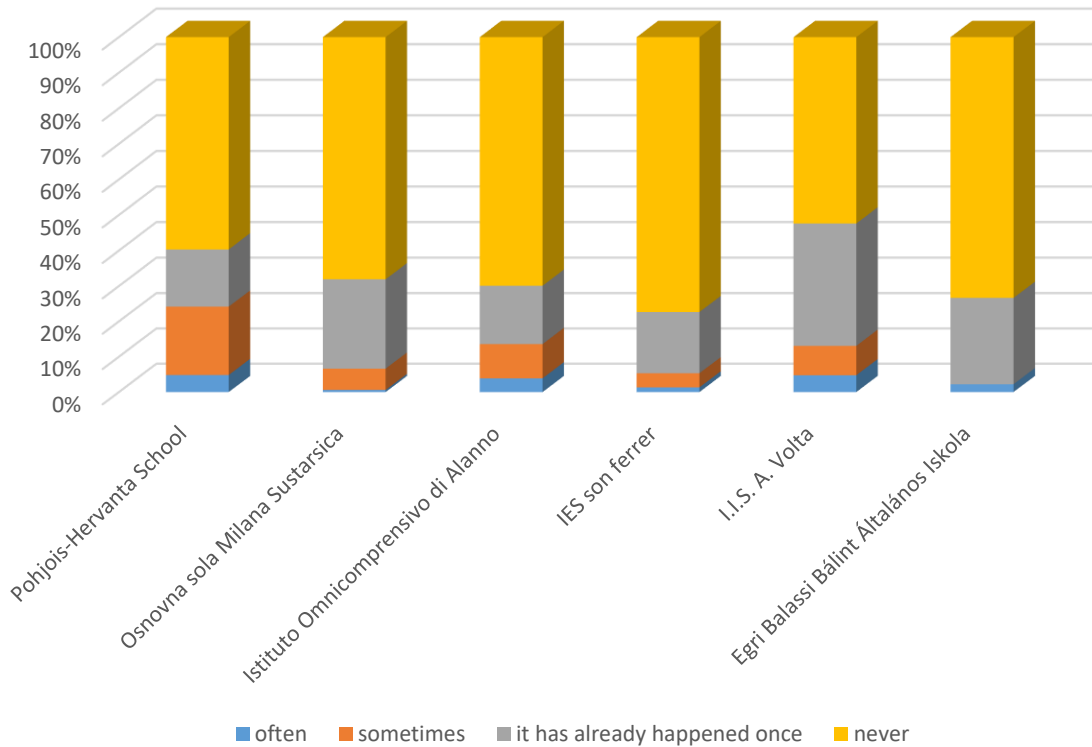

You hit a student.

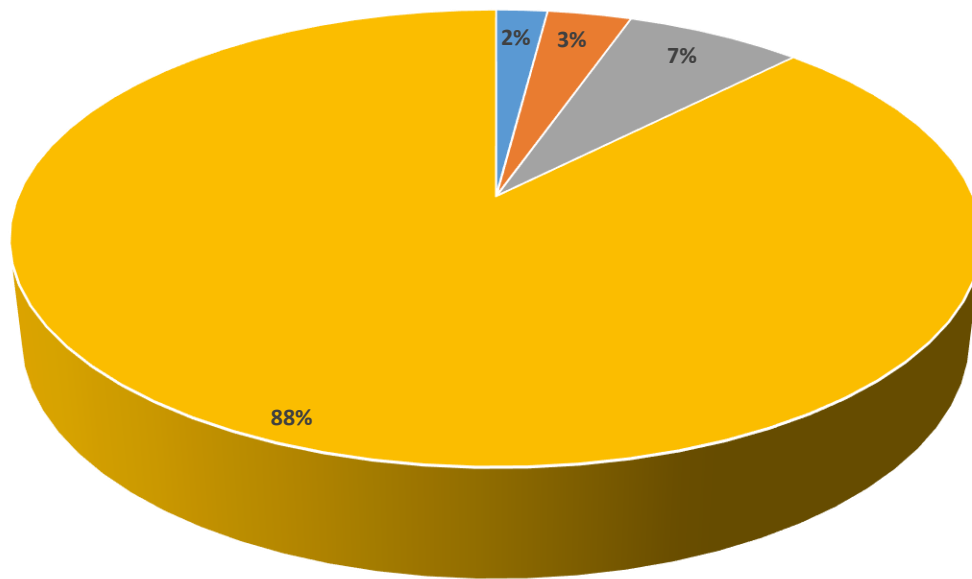

You exclude a student.

You exclude a student.

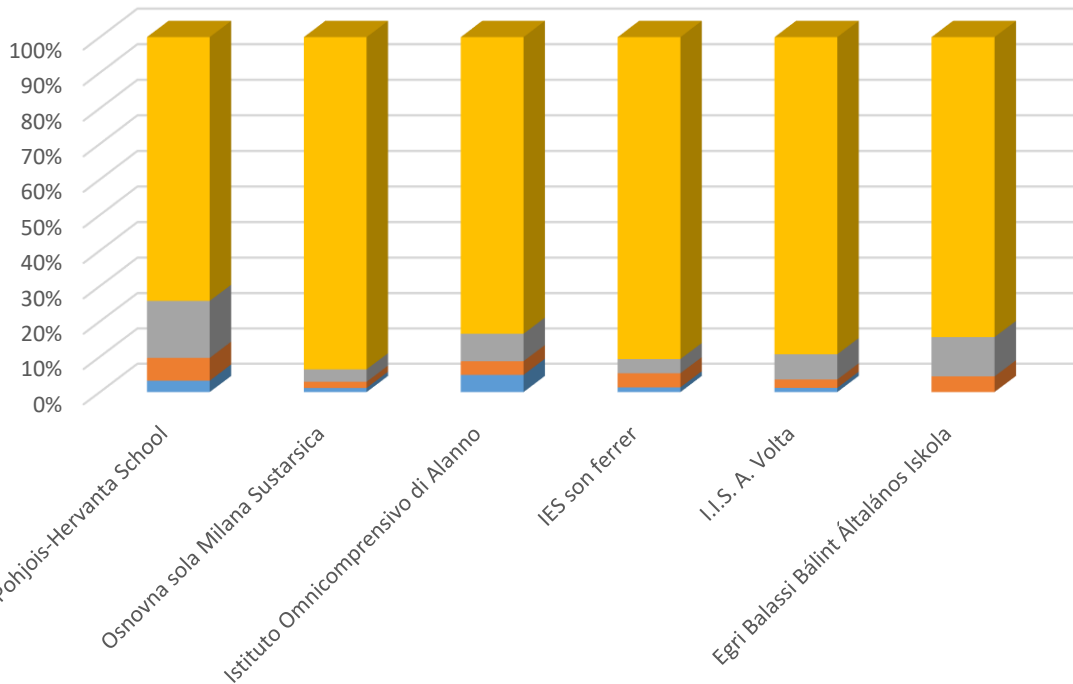

You get a smaller, a weaker student to do things for you.

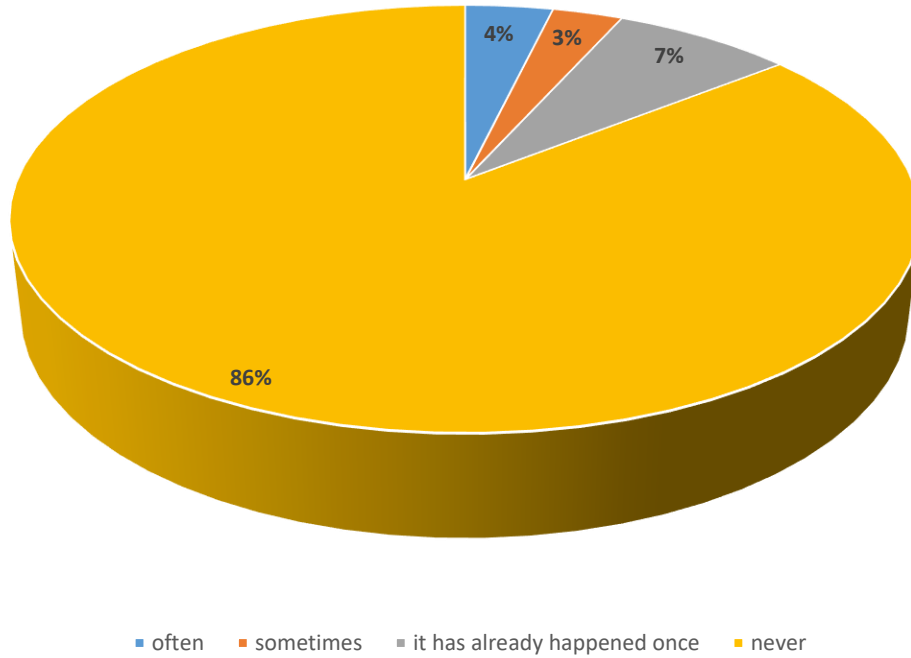

■ often ■ sometimes ■ it has already happened once ■ never

You get a smaller, a weaker student to do things for you.

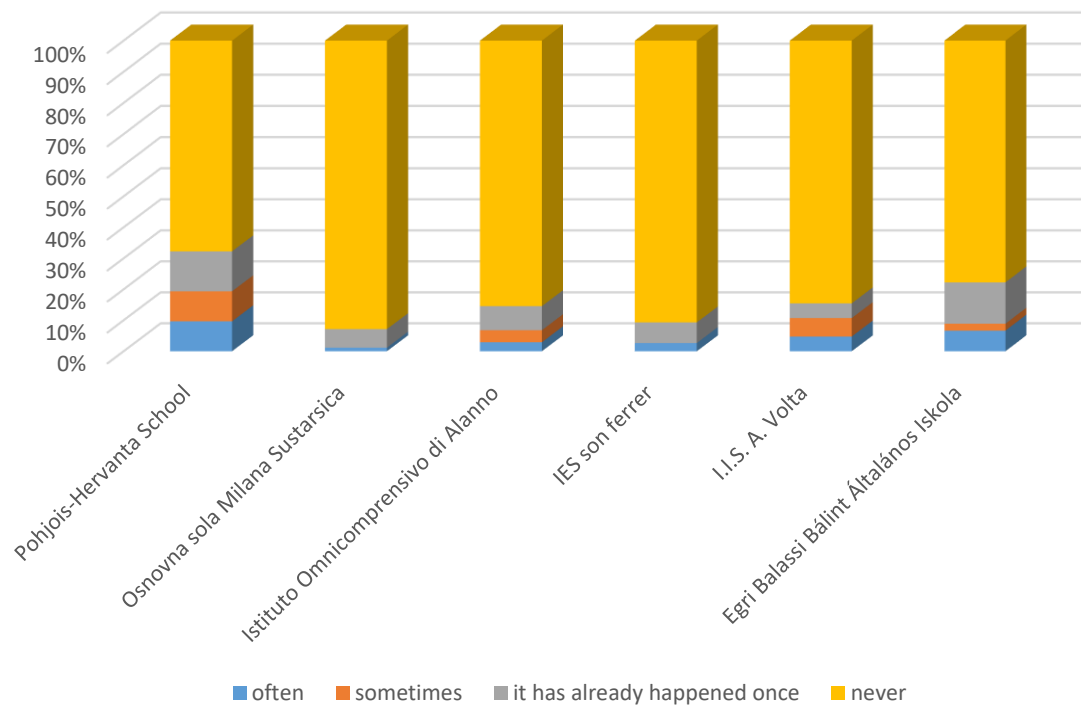

■ often ■ sometimes ■ it has already happened once ■ never

You tease, mock someone through the Internet (eg. through social media, e-mails).

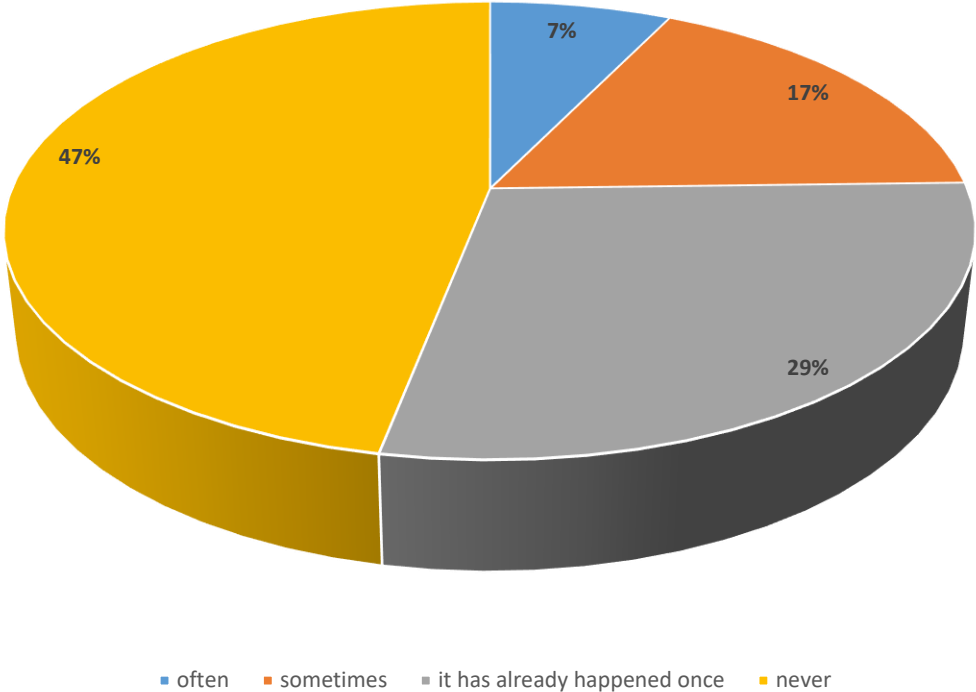

You tease, mock someone through the Internet (eg. through social media, e-mails).

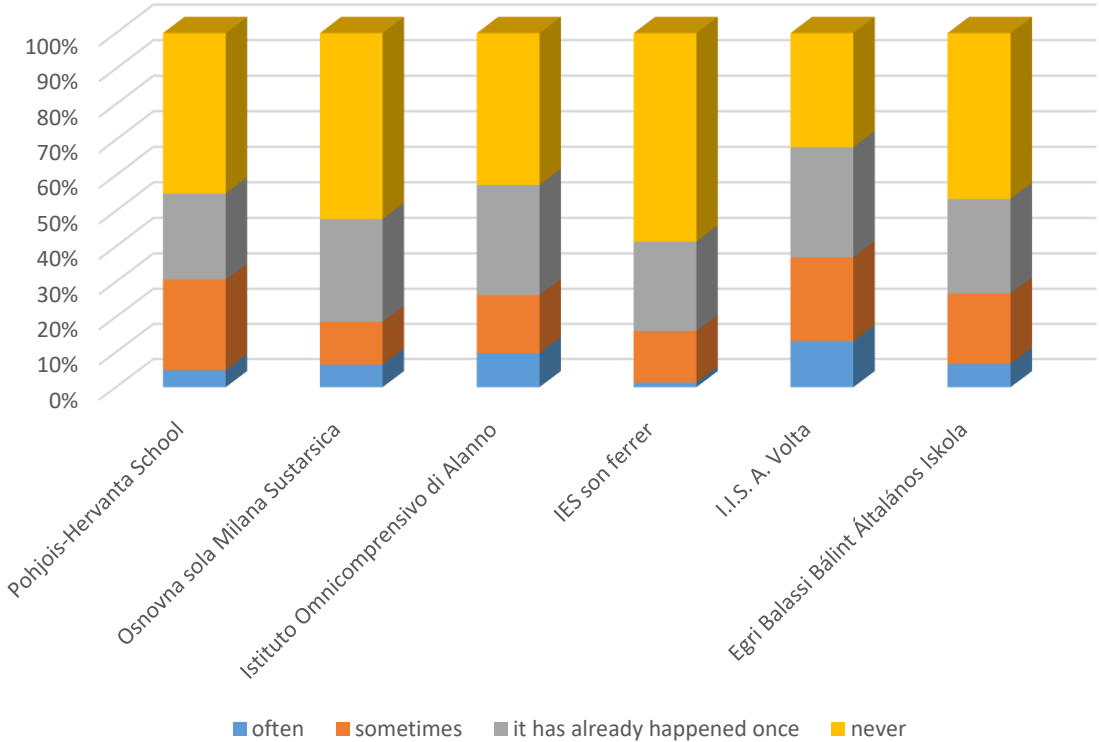

Conflicts - suffering

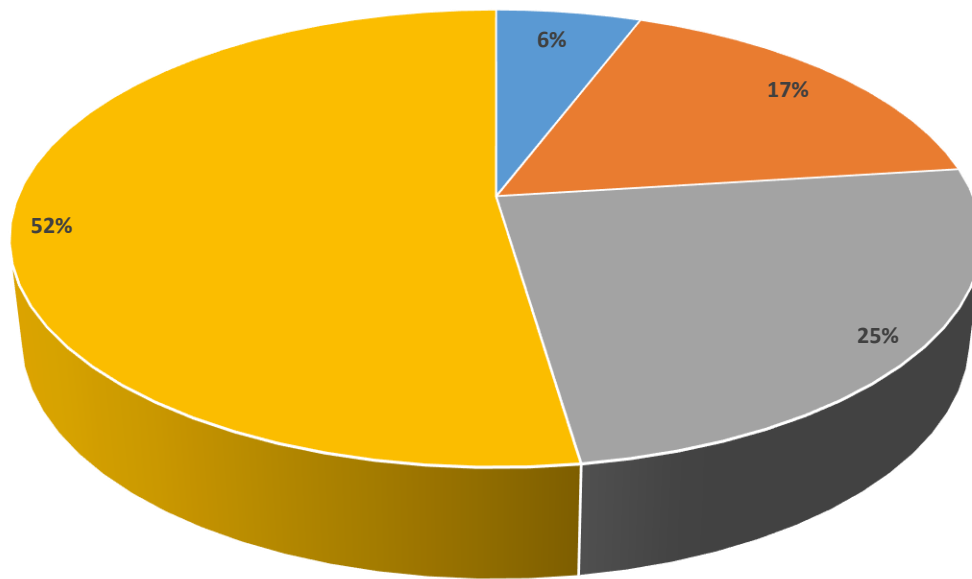

My belongings are taken away.

My belongings are taken away.

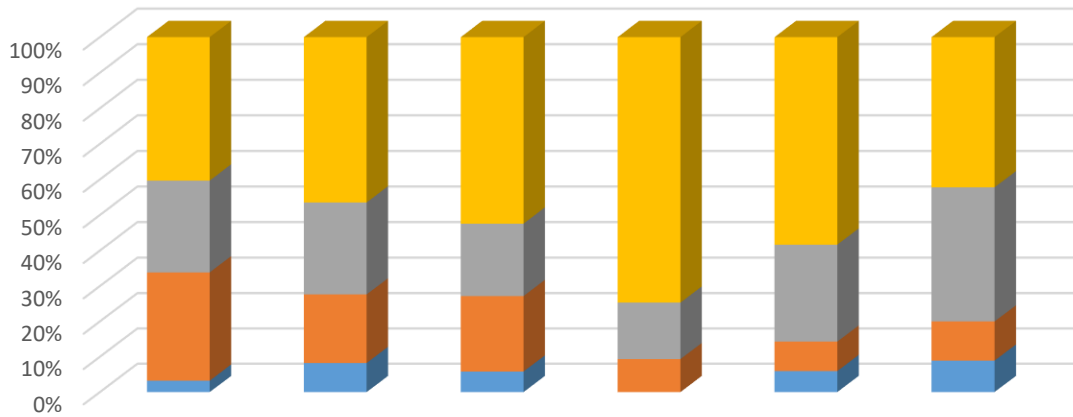

I am teased by others.

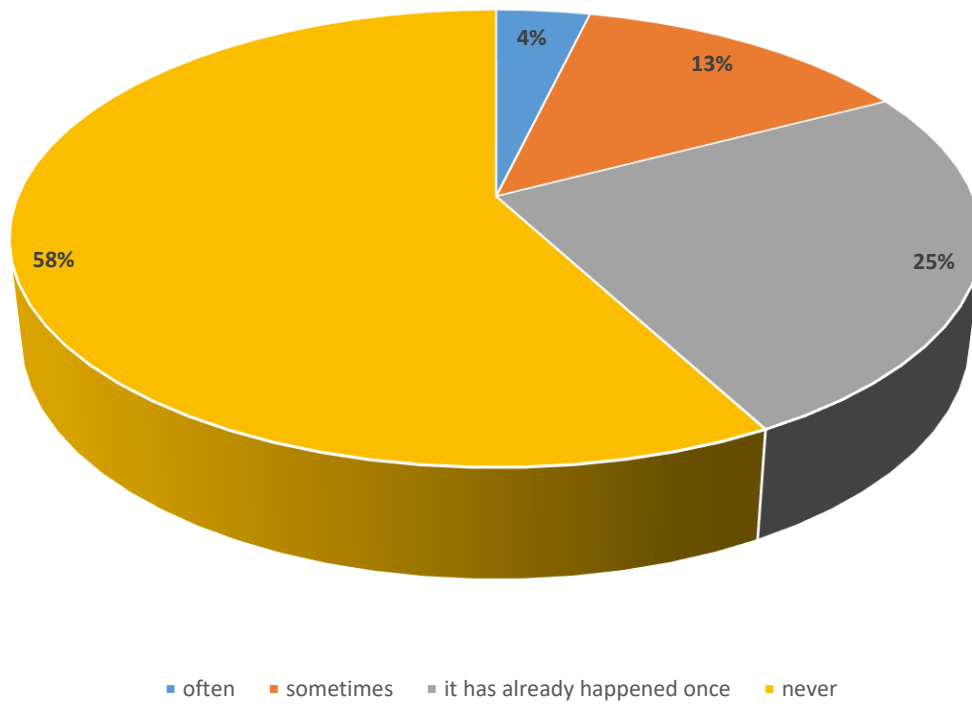

■ often ■ sometimes ■ it has already happened once ■ never

I am teased by others.

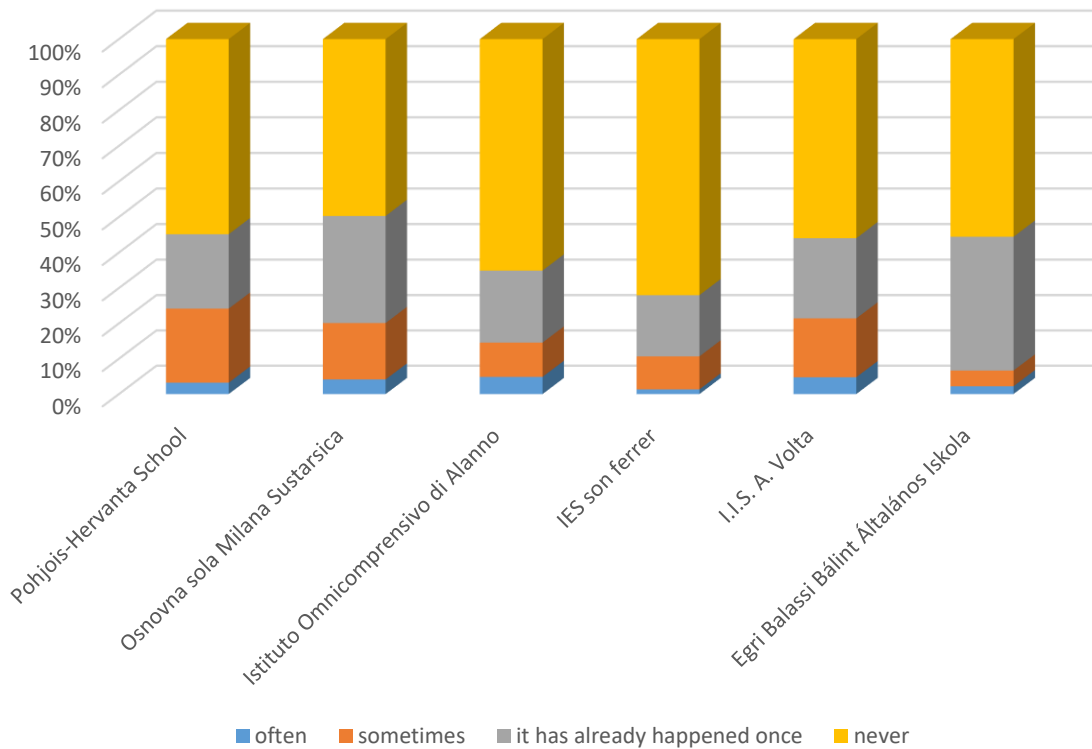

■ often ■ sometimes ■ it has already happened once ■ never

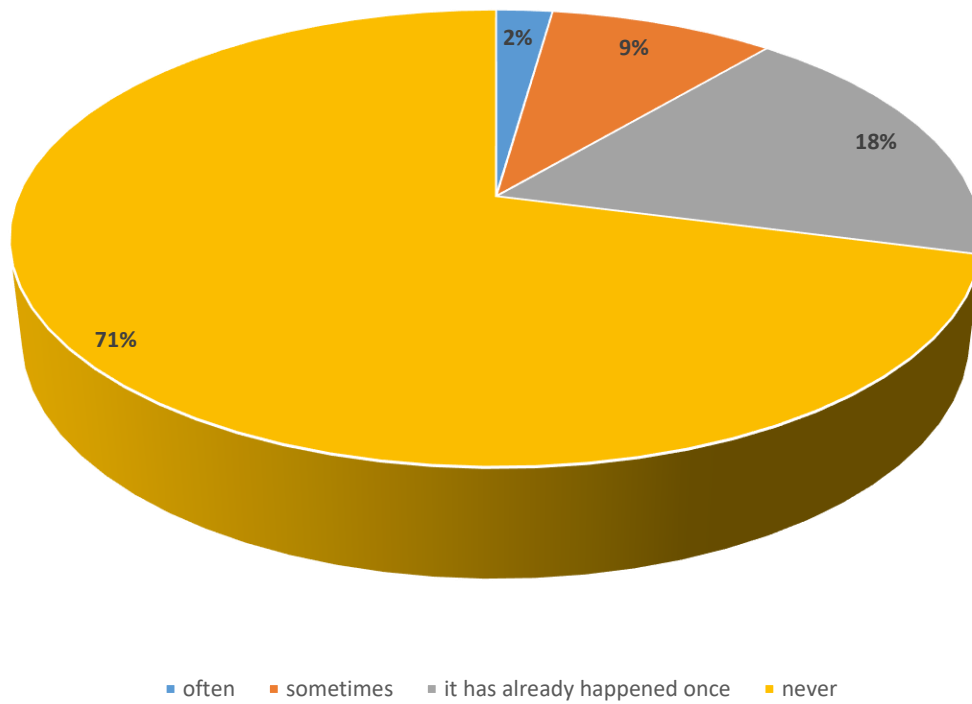

I am pushed deliberately by others.

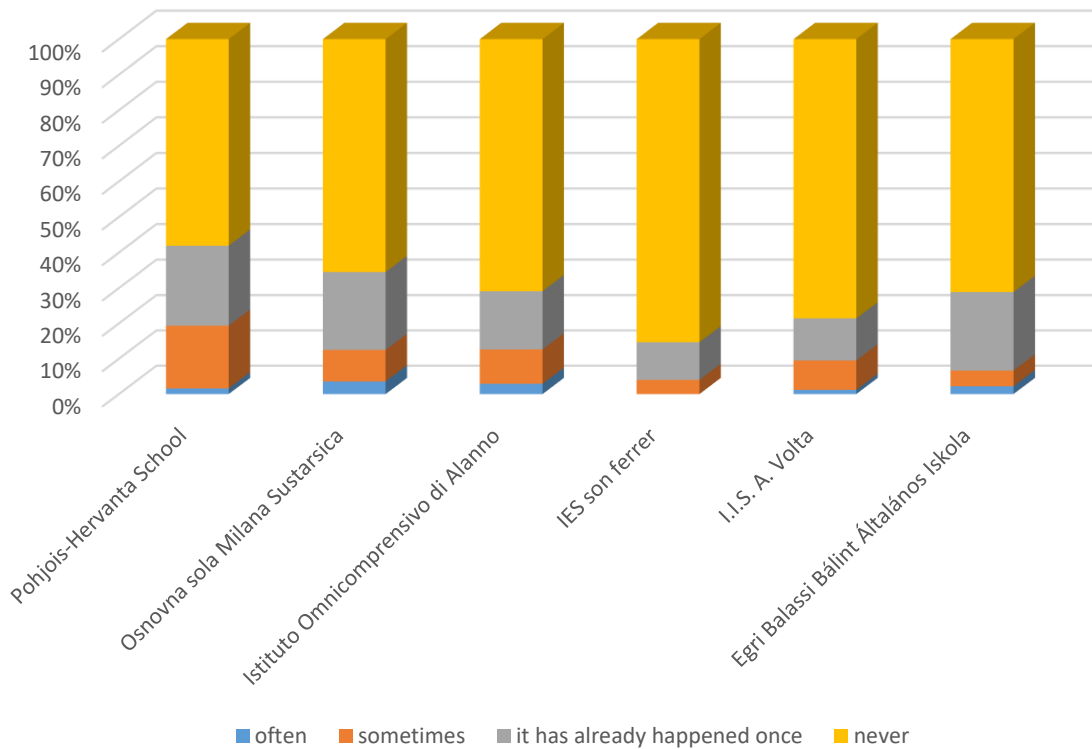

I am pushed deliberately by others.

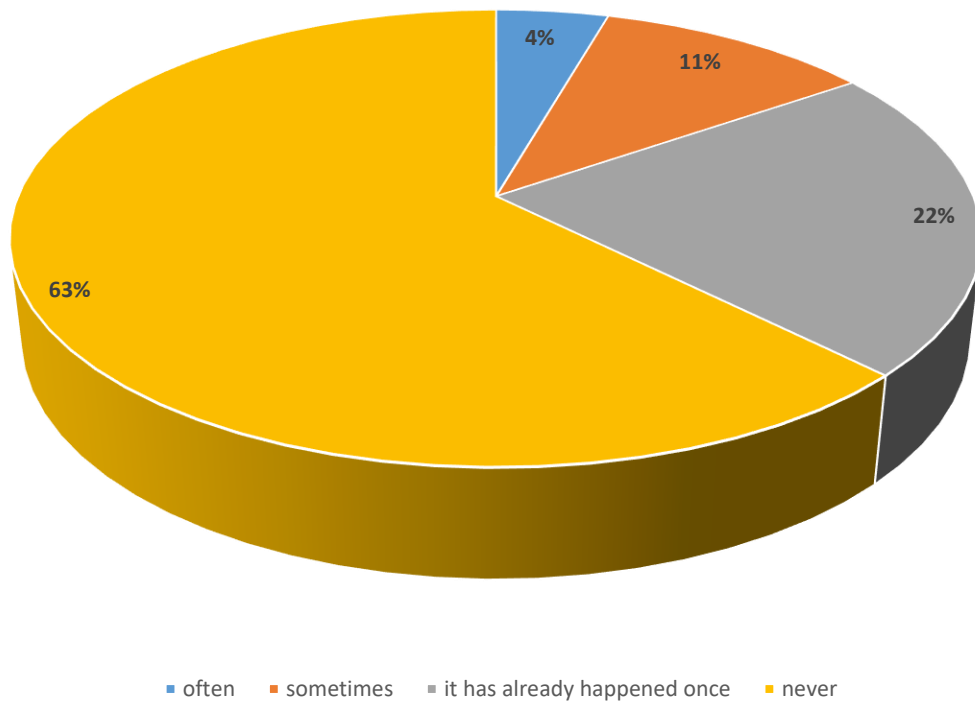

I am hit by others.

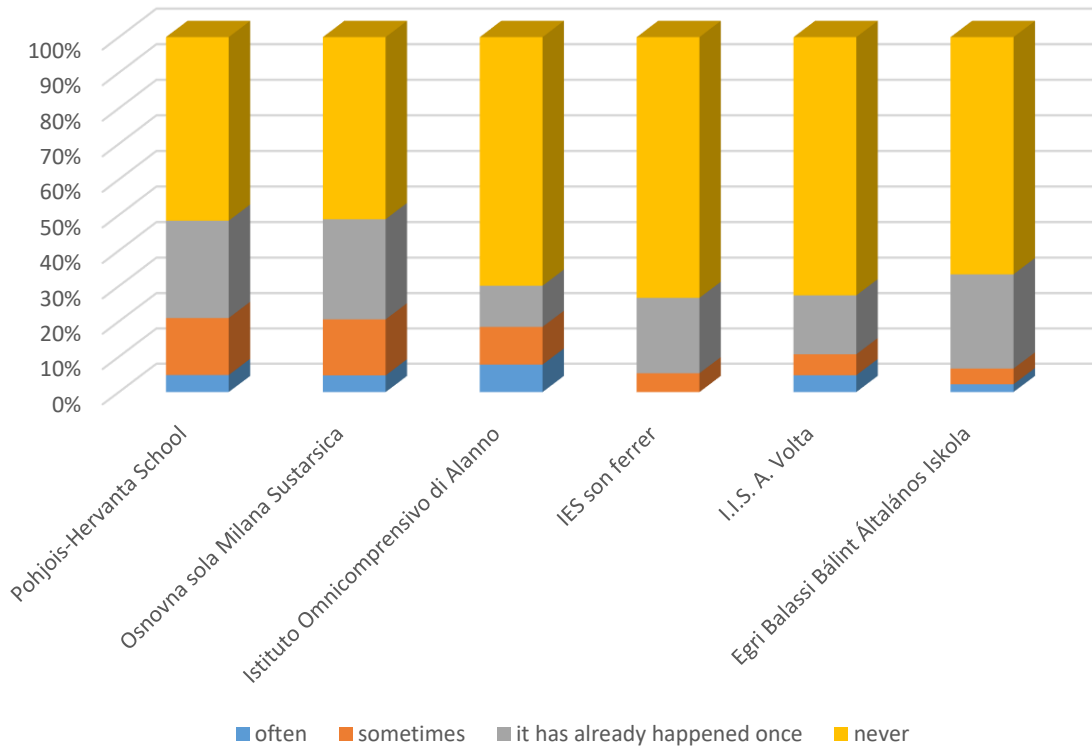

I am hit by others.

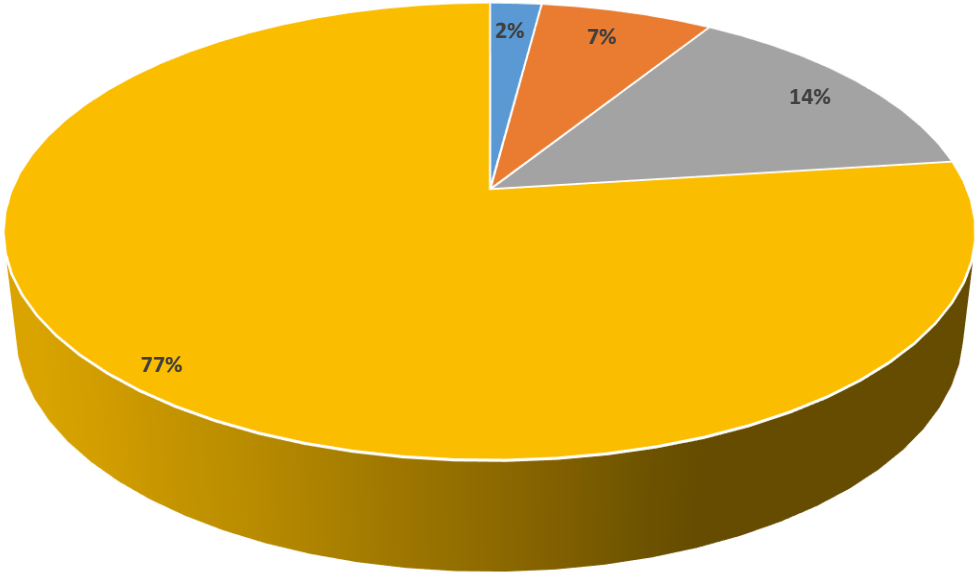

I am excluded by others.

I am excluded by others.

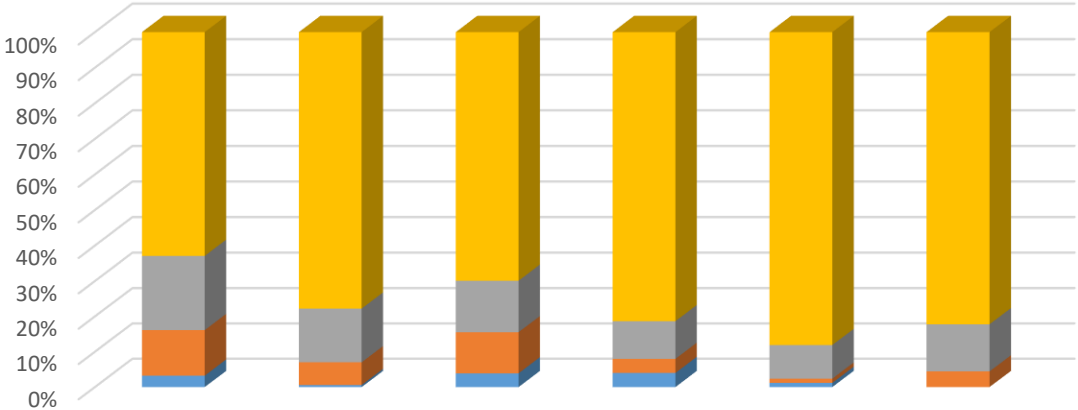

Students get me to do things for them.

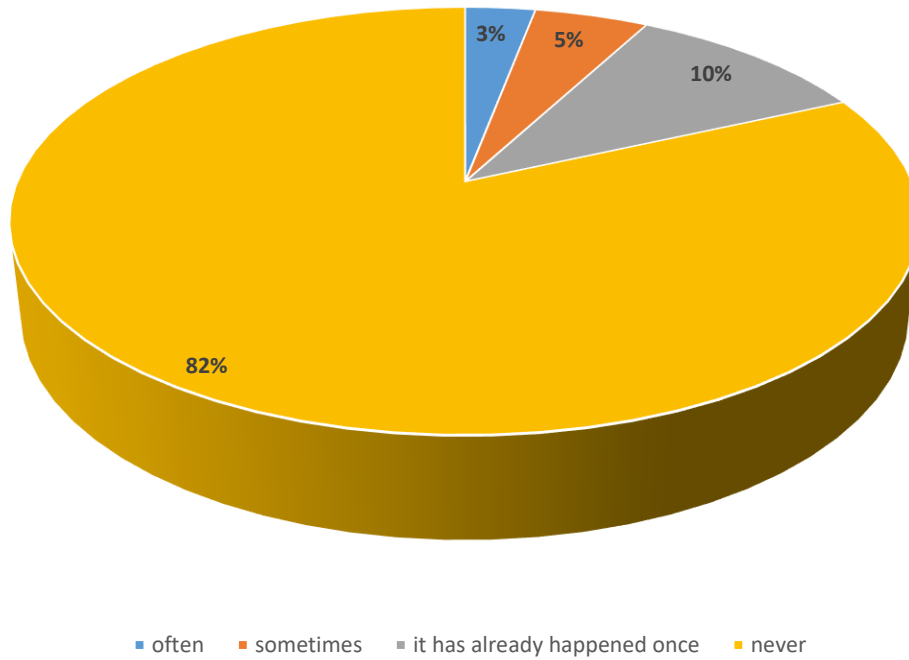

■ often ■ sometimes ■ it has already happened once ■ never

Students get me to do things for them.

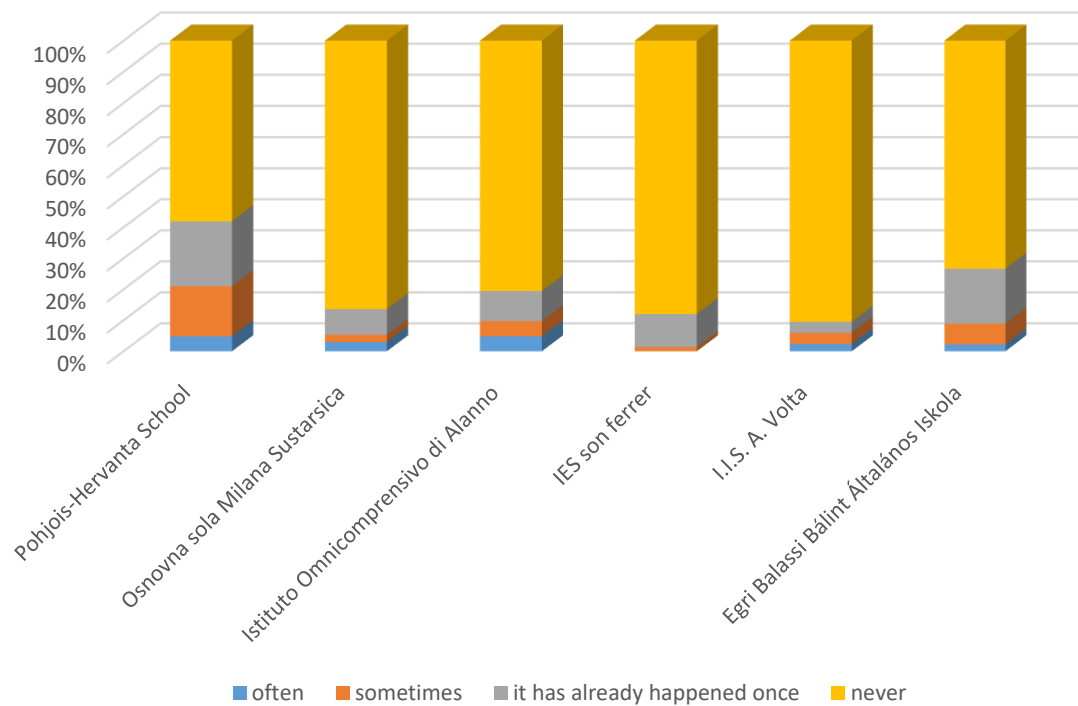

■ often ■ sometimes ■ it has already happened once ■ never

I am teased, mocked through the Internet (eg. through social media, e-mails).

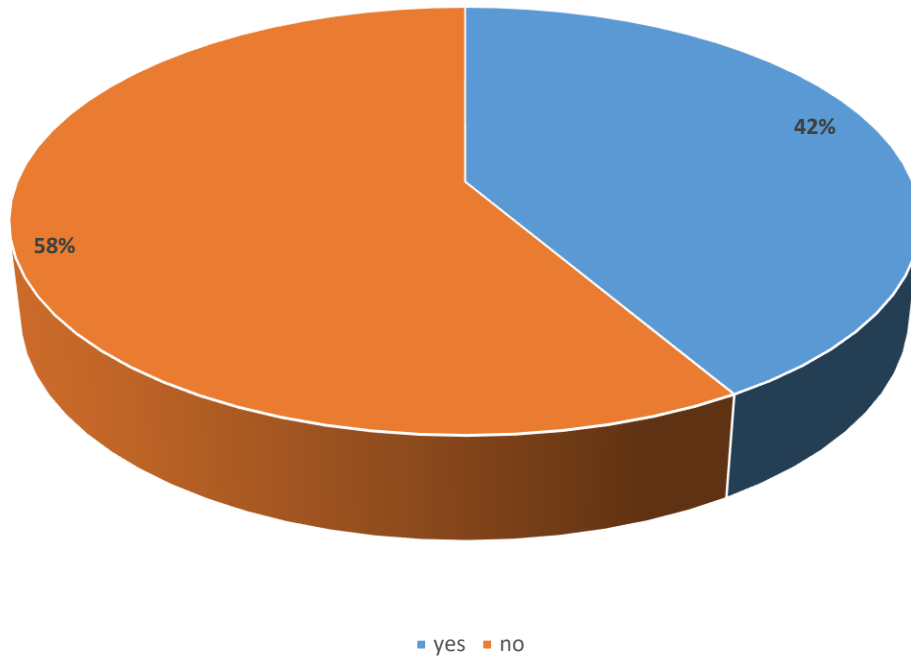

I am teased, mocked through the Internet (eg. through social media, e-mails).

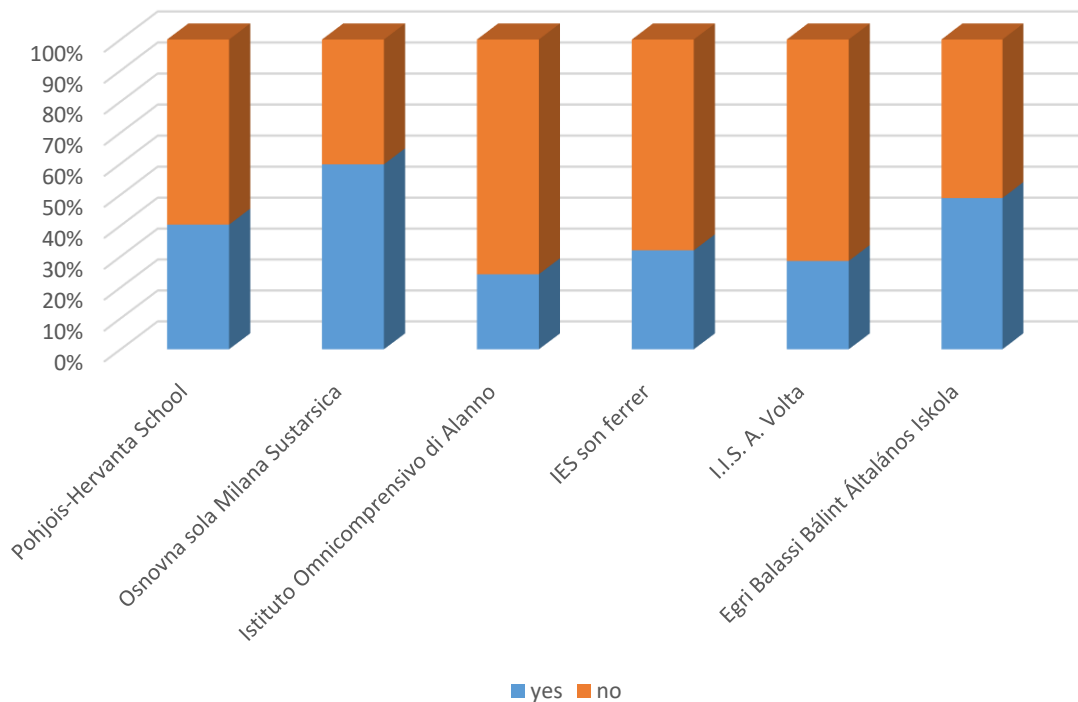

Conflict management

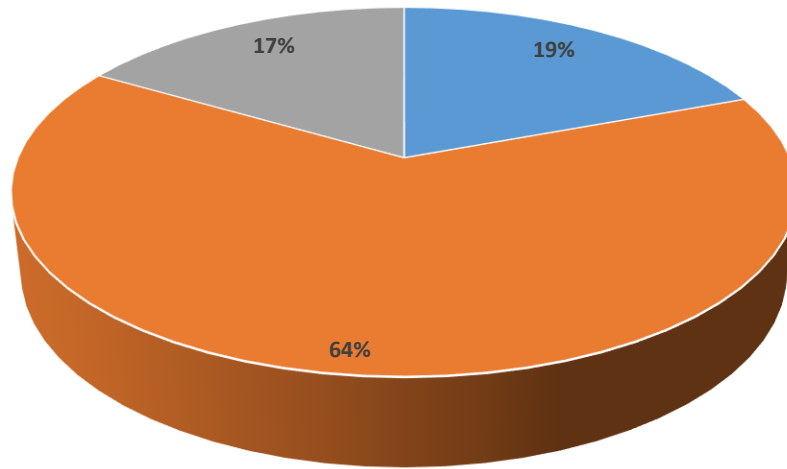

Have you ever been in a conflict at school that you could not solve and it made your life more difficult?

Have you ever been in a conflict at school that you could not solve and it made your life more difficult?

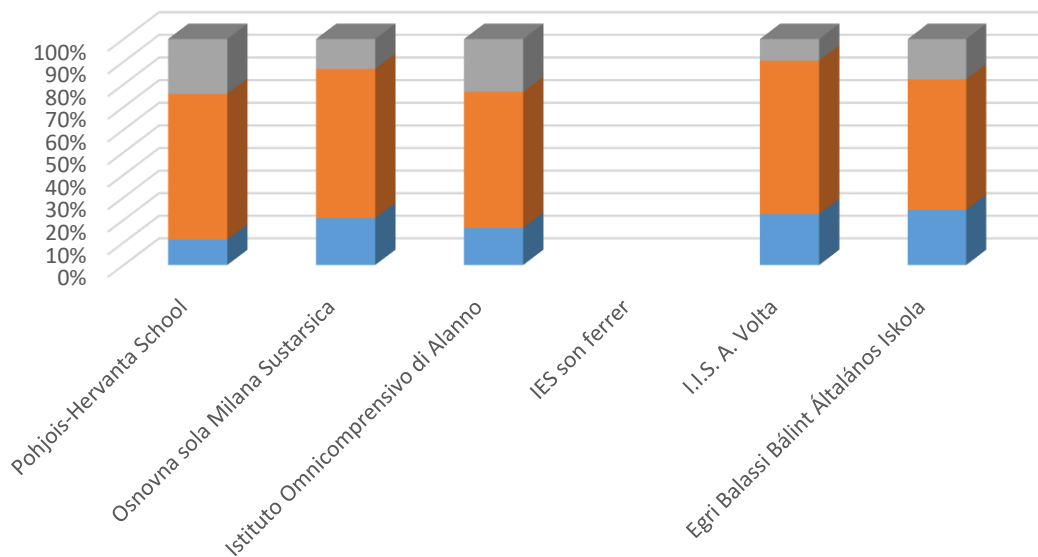

If you or any of your mates are in a conflict, how do you usually try to solve it?

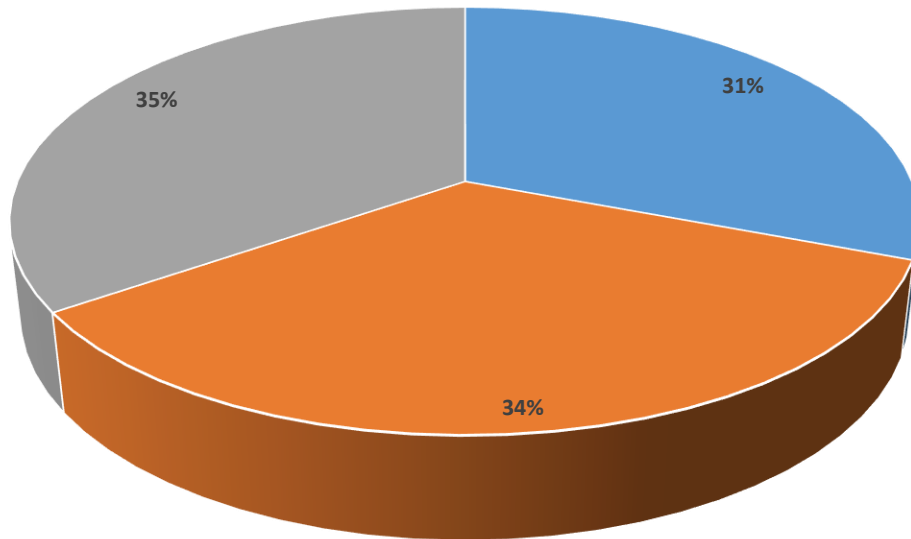

- You solve it by yourselves, you protect yourselves.
- You talk to your friends and try to figure something out.
- You ask an adult for help.

If you or any of your mates are in a conflict, how do you usually try to solve it?

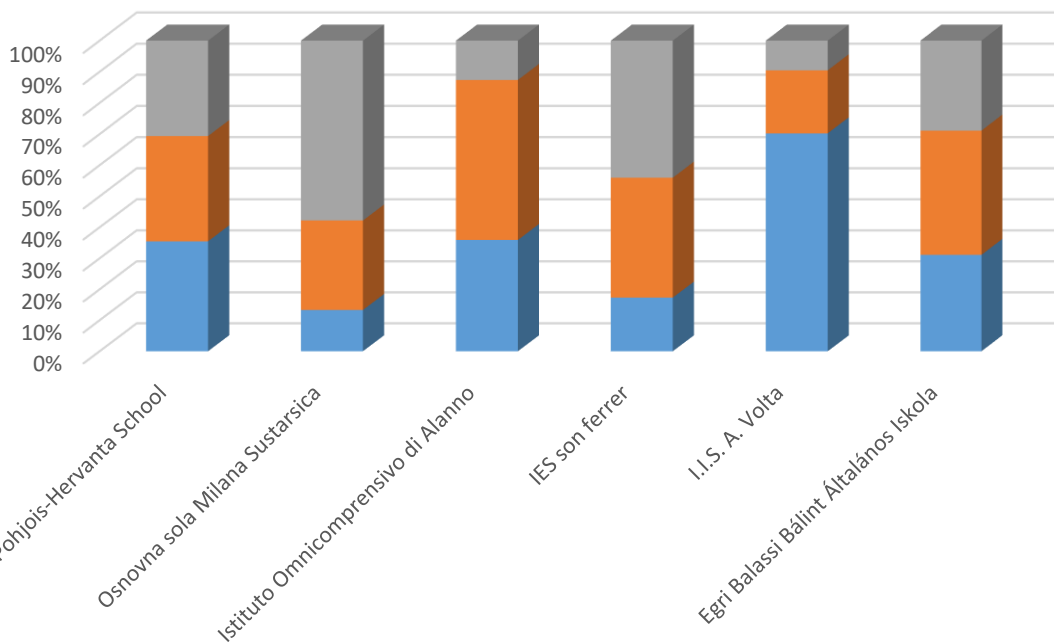

- You ask an adult for help.
- You talk to your friends and try to figure something out.
- You solve it by yourselves, you protect yourselves.

Have you ever heard about different conflict management techniques?

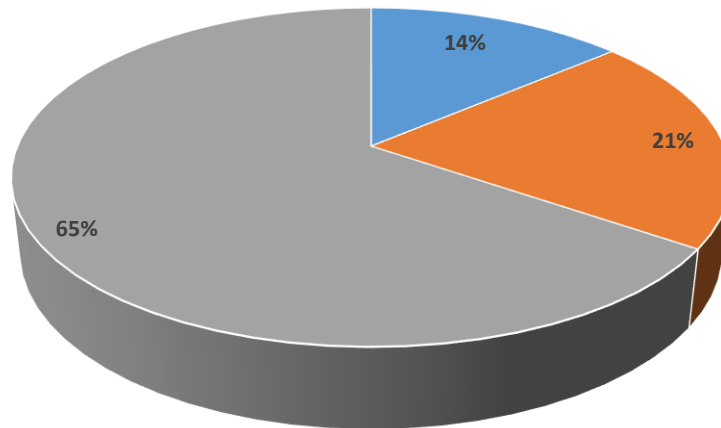

■ No. ■ Yes, I have heard about them, but I do not know them. ■ Yes, I know these techniques.

Have you ever heard about different conflict management techniques?

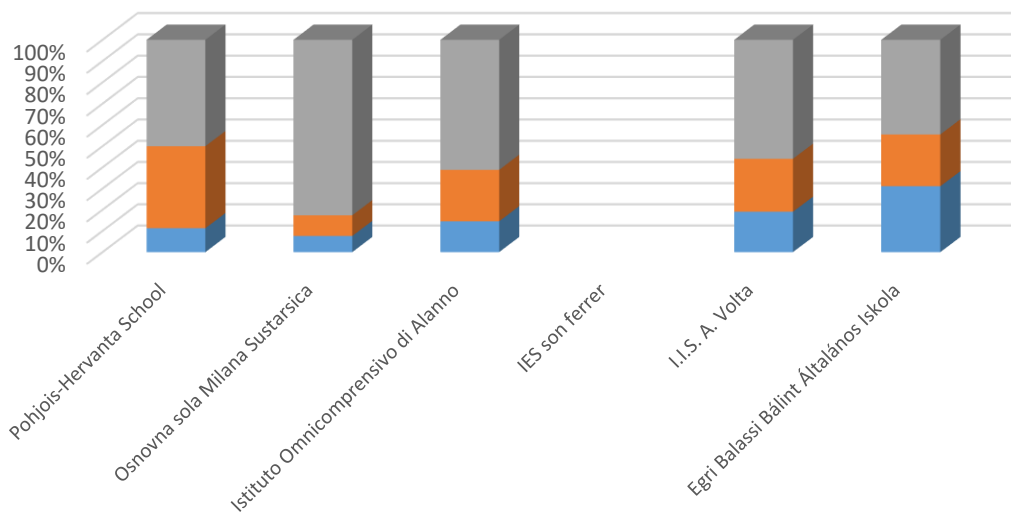

■ No. ■ Yes, I have heard about them, but I do not know them. ■ Yes, I know these techniques.

Do you believe that conflicts can be resolved without violence so that no one gets injured in the situation either physically or psychologically?

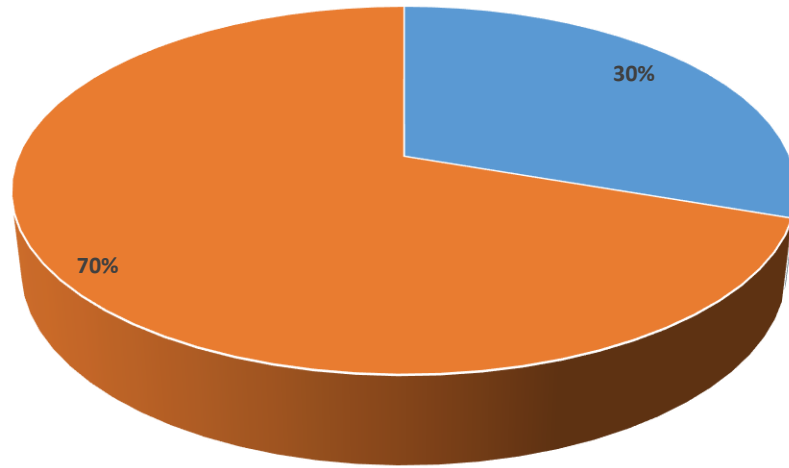

- No, if the conflict is serious, there will be always some violence.
- Perhaps, although I have not met such a solution in my surroundings.
- Yes, all conflicts can be talked about and resolved.

Do you believe that conflicts can be resolved without violence so that no one gets injured in the situation either physically or psychologically?

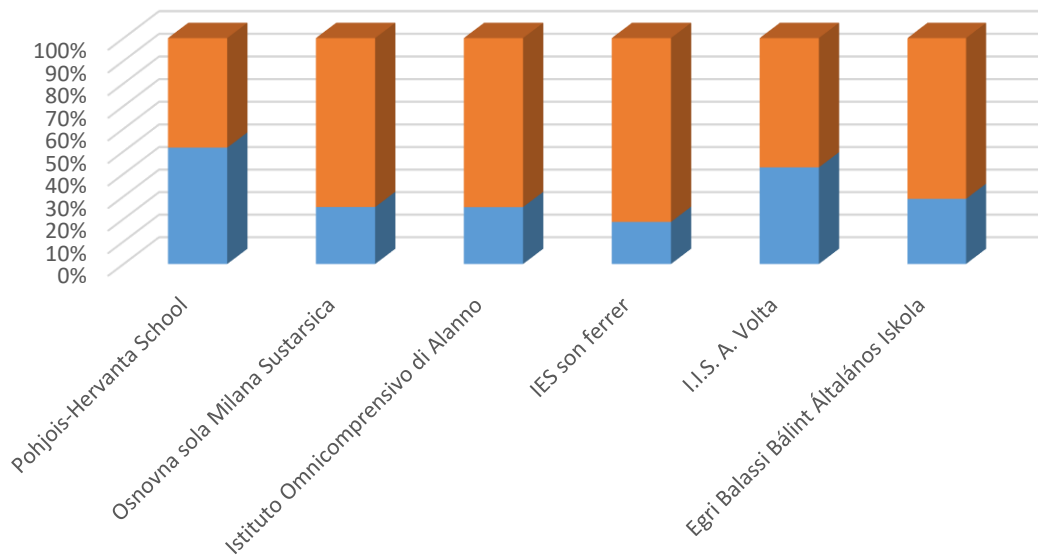

- Yes, all conflicts can be talked about and resolved.
- Perhaps, although I have not met such a solution in my surroundings.
- No, if the conflict is serious, there will be always some violence.

Do you consider it important that you and your mates know techniques which can resolve conflicts without violence and no one gets hurt in the situation?

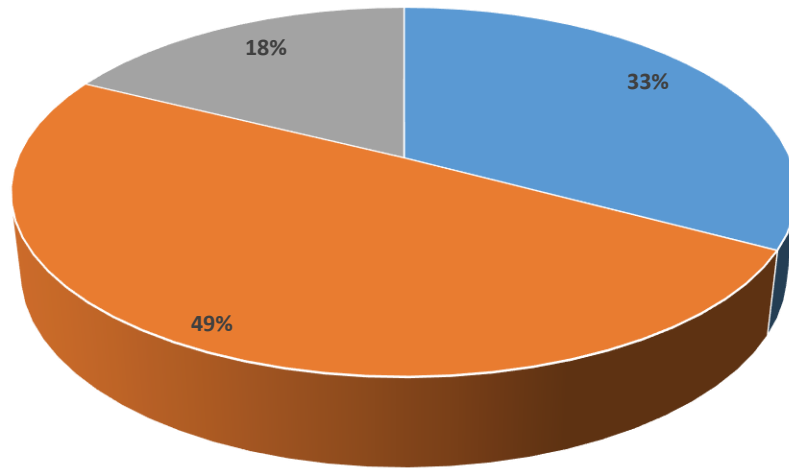

- I do not care about these things, I do not have conflicts. / I can resolve my conflicts.
- Yes, it would be great to know such techniques.

Do you consider it important that you and your mates know techniques which can resolve conflicts without violence and no one gets hurt in the situation?

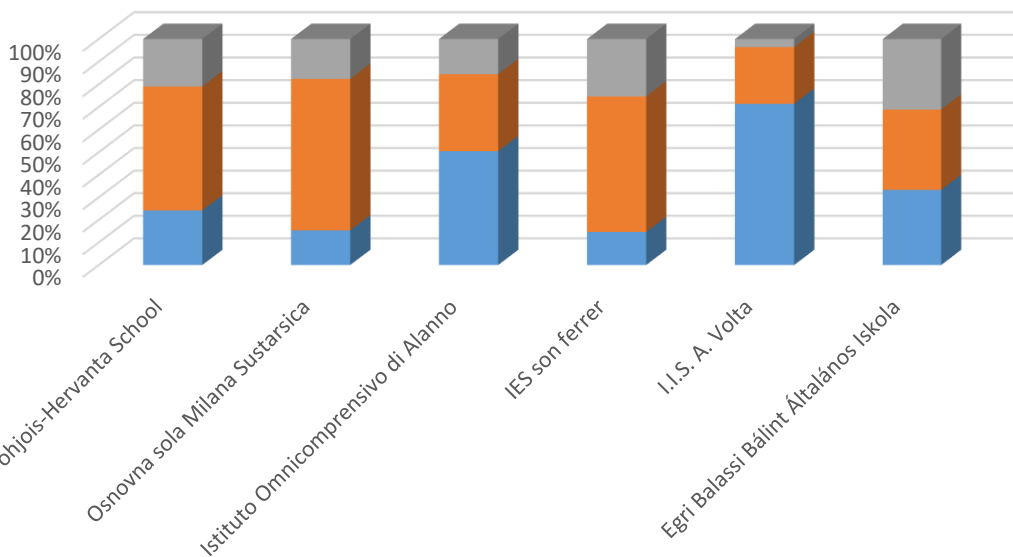

- Yes, it would be great to know such techniques.
- I do not care about these things, I do not have conflicts. / I can resolve my conflicts.

Have you ever talked about such conflict management techniques at school?

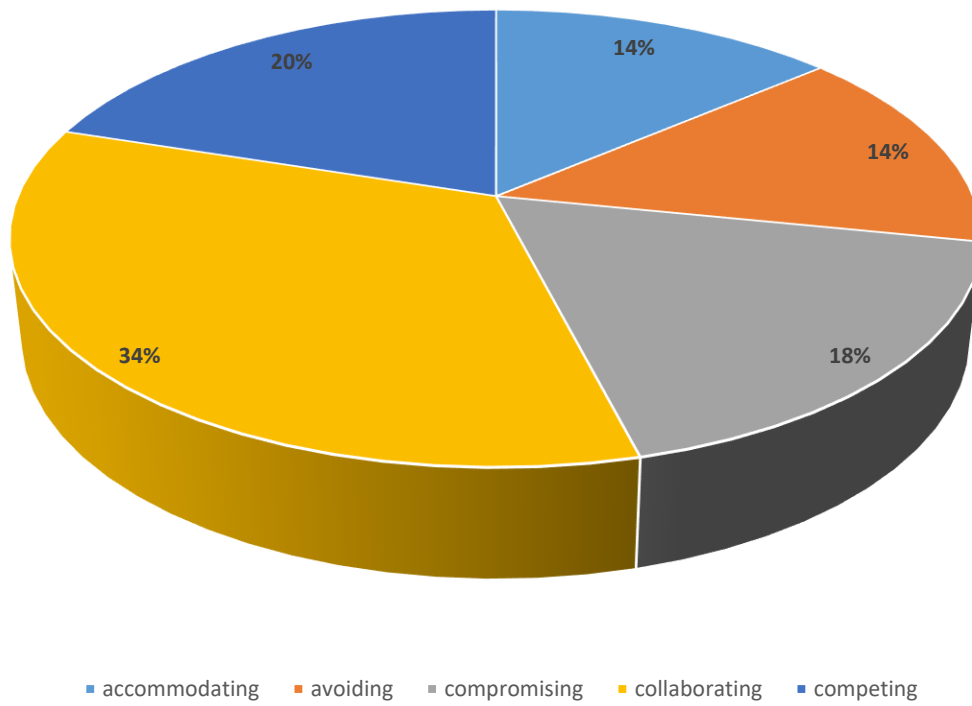

- No.
- Once we spoke about something like that in a form teacher's lesson.
- Yes, we regularly deal with this topic at school.

Have you ever talked about such conflict management techniques at school?
